Dear [redacted]

Your May 26th letter to President Bush regarding the bombing incident involving Ms. Judi Bari and Mr. Darryl Cherney was referred to FBI Headquarters and received on November 20th.

The FBI and the Oakland, California, Police Department are jointly investigating the incident that involved a bomb that exploded in Ms. Bari's car on May 24th in Oakland. Since this is an ongoing case, it would be inappropriate for me to comment about any specific aspects of this case.

Sincerely yours,

Nicholas V. O'Hara

President George Bush  
1600 Penn Ave  
Washington DC 20500

Dear President Bush;

I am personally disgusted with the way the case of Judi Bari and Darryl Cherney has been handled to this point. I live and work in Ukiah, and am convinced that neither of them knew that they carried a bomb in their car when it exploded.

Since Judi and Darryl were on a tour committed to non-violence, and were requiring a non-violent promise from anyone wishing to be involved in the upcoming protests, I see no viable reason for their need to carry explosives. It flies in the face of logic. They would have nothing to gain, popular support to lose with any such a connection.

On the other hand, for the general population to perceive that they were involved with explosives would greatly hurt their cause. And I personally am convinced that a frame-up is what we're witnessing. It takes neither a conspiracy of all the police agencies in the state nor great intelligence to frame someone, especially when that someone is not popular. If I wanted to discredit EarthFirst!, Judi, Darryl, or anyone else involved in the environmental movement for that matter, I would set up something such as the event that we all witnessed this week.

I can see how difficult it would be to have local police questioning local potential perpetrators of this act, but it seems to me that this is exactly what has to happen. While to suspect someone else means a lot of extra work, that is exactly what justice demands.

I am further appalled that Judi is not being permitted visitors at the hospital during this time of great personal need. Is there some fear that she will get up and run away? That someone will smuggle in a suicide pill? How about some common human compassion? Any guard can just as easily be in the room with Judi and a visitor as outside the door. She has at this point been convicted of no crime, and is no criminal. What is sure is that she is a seriously injured human being.

Please take a stand on this issue, not for personal gain nor in anticipation of a groundswell of political support, but because it is the right thing to do.

Sincerely,

 3 BECAUSE OF THE HAND DRAWN NATURE OF THE QUESTIONED WRITING, IT

6 SAN FRANCISCO HAD OPINED BECAUSE OF THE CLOSE SIMILARITIES  
 7 BETWEEN THE TWO COMMUNIKES THAT IN ALL LIKELIHOOD IT DISPROVED  
 8 THE "LORD'S AVENGER LETTER" AS BEING WRITTEN BY SOMEONE THAT IS

 10 IS AS FOLLOWS: ON MAY 9, 1990, THE COMMUNIQUE WAS LEFT AT THE  
 11 LPC MILL STATING "LP SCREWS MILL WORKERS". A COMMUNIQUE WITH A  
 12 SIMILAR STYLE OF HANDPRINTING CONDONING TREE SPIKING TITLED

 14 APRIL 28, 1990, TO CALIFORNIA ASSEMBLY MEMBER DAN HAUSER. THE  
 15 SAME COMMUNIQUE WAS ALSO MAILED TO THE ARCATA UNION. ALL THE  
 16 AFOREMENTIONED COMMUNIKES EXTOLLED TREE SPIKING AND ACTS AGAINST  
 17 LP AND EXHIBITED A SIMILAR STYLE OF HANDPRINTING, POSSIBLY OF THE  
 18 SAME PERSON. INVESTIGATION DETERMINED THAT THE ORIGINATOR OF THE  
 19 LP COMMUNIQUE WAS POSSIBLY THE SAME AS THE ORIGINATOR OF THE TREE

Dear [Redacted Name]

Your June 2nd letter and enclosed petitions to the Attorney General regarding the bombing incident involving Ms. Judi Bari and Mr. Darryl Cherney were referred to FBI Headquarters on November 20th. *also see FD-160 ->*

*174A-SF-90788 (8-10-90)*  
The FBI and the Oakland, California, Police Department are jointly investigating this incident. Since it is an ongoing case, it would be inappropriate for me to comment about any specific aspects at this time. You and the numerous concerned citizens who signed the petitions you enclosed may be assured, however, that this investigation is continuing to receive appropriate investigative attention.

Sincerely yours,

Nicholas V. O'Hara

Richard Thornburgh  
U.S. Attorney General  
Constitution Avenue & 10th St., N.W.  
Washington, D.C. 20530

Dear Mr. Thornburgh,

A May 24, 1990 car bombing in Oakland, California is generating tremendous interest and concern in northern California. Two members of the environmental group Earth First! were injured, one seriously.

b6  
b7c

The enclosed signatures are a small indication of the feeling among people here that law enforcement authorities have jumped too fast to an erroneous conclusion; ie. that the victims were the perpetrators.

Because of the volatility of environmental issues in this part of the country, and particularly with current concern over the survival of north coast redwood forests, it is very important that this crime be investigated fully and brought to a plausible conclusion. Otherwise, I fear, violence could breed counter-violence.

I hope that through the help of people like you, such an investigation can proceed.

Sincerely yours,

George T. Hart, *Chief of Police, City of Oakland*

JUDI BARI and DARRYL CHERNEY, victims of a car bombing on May 24 in Oakland, have been treated as criminals by the Alameda County Sheriff, the Oakland Police Department and the F.B.I.

We the undersigned hereby protest this injustice and petition all law enforcement authorities to proceed in good faith to find the perpetrators of the crime instead of presuming the guilt of the victims.

Approximately two weeks after the 5/24/90, Oakland bombing I received a telephone call from a male individual identifying himself as [REDACTED] relayed an elaborated scheme as a possible reason for the Oakland incident and as requested to put it in writing and submit it to me.

A letter from [REDACTED] dated 6/27/90, was received whereby [REDACTED] theorized that [REDACTED] (Maxxam, Inc.) used \$800 million in junk bonds to obtain the purchase of the Pacific Lumber Company. Of this \$800 million debt, \$350 million from the sell off of PALCO Welding Company and \$30 million from the sale of a San Francisco Office Building, left a net debt of \$420 million. Most people feel [REDACTED] then began to clear-cut the purchased timberland at an extremely fast rate to attempt to pay off this \$420 million debt.

[REDACTED] feels that the value of redwood had been steadily increasing and by accelerated lumbering [REDACTED] was driving the market down. [REDACTED] specifically targeted publicized old growth and areas easily visible in order to initiate a reaction from environmentalists. The reaction and anti-logging drive from the environmentalists was necessary to gain public support on a number of November initiatives which called for the protection of old growth forests resulting in a government purchase to park land preservation. With a purchase of specific old growth areas, namely a small area of Pacific Lumbers Eel River holdings he would be able to pay off the \$420

## CONSULTATION SUMMARY

Captioned matter was discussed via conference call with members of the NCAVC and SA [redacted] NCAVC Coordinator, SA [redacted] SA [redacted] SA [redacted] SSA [redacted] and Sgt. [redacted]. The initial discussion was directed to assisting Sgt. [redacted] in his attempt at gaining the confidence of Judy Bari.

[redacted] has not had contact with Bari for at least two weeks. In the middle of September, 1990, she moved to a somewhat isolated area near Willits, California. She had previously lived with her children on the property of her ex-husband [redacted] has never been with Bari alone as she apparently has been accompanied by either her attorney, private investigator, or [redacted] (friend/confidant).

[redacted] has been successful in treating Bari as a victim and has gained ground in attempting to win her confidence. He describes her as manipulative, overbearing, and as someone used to getting her way. Physically, she is confined to a wheelchair and/or walker. Her children would appear to be an important part of her life. The father's relationship with the children is uncertain at this time. She appears to be happiest when she is the center of attention, particularly when it involves the activities of the Earth First group.

b6  
b7C

She has denied an association with the bomb that has left her crippled. She has responded to this notion by saying, "are you kidding? Look at me!" Initially, she did not believe anyone from the timber industry was involved in the bombing but now she is unsure. When given the names of other individuals [redacted] Earth First Bay area), she has denied and even become angered over the suggestion of such involvement.

Apparently, the Earth First organization has experienced major shake-ups. According to Bari, civil disobedience has been proposed and largely supported by the more radical men associated with the group. Bari remains as a leader amongst the women in the group.

[redacted]  
[redacted] with Bari in what was described as a platonic relationship. Apparently, he is more paranoid than Bari and has experienced recent weight loss. He has altered his appearance by shaving his beard and at times will wear various disguises while in public. Of the two personalities, Bari is described as having the stronger personality.

Bari maintains contact with those in the media and has offered [redacted] to the media as someone to discuss her plight. [redacted] has told Bari on more than one occasion that he does not have anything to discuss with the media.

[ ] was cautioned to remain alert to Bari, or one of her associates (PI or Attorney), attempting to gain information from him. We believe she will attempt to use [ ] to find out information about the investigation. Further, it would appear he has proceeded cautiously and his pursuit to gain her confidence has taken a proper path. These types of approaches take time and patience to achieve any significant success.

[ ] was encouraged to attempt to identify strengths and weakness of not only Bari but [ ] as well. He may also be in a position to gain intelligence about the Earth First plans, particularly as they relate to "civil disobedience," actions allegedly opposed by Bari.

At this point in the conference call, [ ] was disconnected and the remainder of the group focused on the bombing and subsequent written communications reviewed by the NCAVC.

b6  
b7C

During the afternoon of May 29, 1990, a letter, allegedly written by the "Lord's Avenger" was postmarked from North Bay, California and directed to [ ] of the Press Democrat. The letter was typed on what appears to be a manual typewriter, which may represent a preference or only such instrument available. This communication has attempted to take credit for the May 24, 1990 car bombing in Oakland, California.

There are indications in this communication, which has us considering that more than one person could have contributed to its composition. While we have someone accurately describing the device, we do not believe this person placed the device in the car. Both of these points will be discussed in detail below.

We are concerned that this communication may have been constructed to direct investigators away from Bari and Churney. This concern will also be discussed below.

The letter maintains a religious theme throughout and described the actions of the author as an attack against Bari, who represents evil, "I saw Satans flames shoot forth from her mouth her eyes and ears...I knew I had been chosen to strike down this demon." The references to bible passages would seem to indicate knowledge of the bible, which may have been acquired from study either past or present. Religion may be important to the person(s) responsible for this letter. These references to the devil may be an attempt to provide the reader with rationale for the bombing by hiding behind a "satanic" reference. This fact could serve as a theme for development during a future suspect interview.

The person(s) are comfortable expressing thoughts and responses to what is happening around them (environmental & abortion issues) through this kind of medium. Consequently, we expect to find other instances where the author(s) have responded in a written format to items of concern.

The sentence structure and vocabulary of the communication would appear to contain differences particularly when the device is discussed. Prior to the discussions of the device, the communication sentence structure, punctuation, and word usage were generally accurately expressed. Such words as "blasphemous, emboldened, and smote" were used prior to the discussion of the device. While discussing the device, frequent incomplete sentences can be found such as, "Battery was 9 Volt... Epoxy glue in the drill hole." The vocabulary used prior to the discussion of the device is clearly absent. These factors have lead us to believe more than one person likely contributed to this communication.

From discussions with investigators, the device described in this letter accurately characterized the device recovered at the crime scene. It is described with such detail that either the bomb maker or someone possessing intimate details about the construction of the device contributed to this communication. The excessive amount of detail concerning the bomb is of particular interest. The author(s) is attempting to gain credibility for having created and detonated the device, through the excessive detail provided in the communication.

The author has taken credit for having "the Devil moved my hand to bomb in Cloverdale..." The FBI Laboratory has compared the device in Cloverdale with the one detonated in Bari's car, and determined enough similarities exist to suggest the same person or persons constructed these two devices.

When a comparison is made between the excessive detail surrounding the device and the lack of detail when addressing the placement of the device, an interesting contrast develops. While the author accurately described silencing the device with a yellow sponge and covering it with a blue towel, no detail is forthcoming on the placement of the device in the car. The author suggested that the device was in place for "...two nights and days," but does not describe the location of the bomb, other than saying, "(it) fit under her seat." This lack of detail, which is clearly inconsistent with the detail surrounding the creation of the device, has lead us to believe the person making the device most likely was not responsible for the placement of the device.

Further, the communication states the bomb was placed "2 nights and 2 days" before exploding. We are to believe the pocket watch stopped, then started up again, triggering detonation after Cherney joined Bari in the car. While this scenario is not impossible, it is extremely unlikely.

Generally, when nails are placed in or around a pipe bomb they are for anti-personnel purposes. The bomb is placed where the explosion is likely to fling the nails and inflict injury to the maximum number of persons. Pipe bombs placed in cars are

typically designed to do the maximum damage possible in order to ensure the death of the intended party. These bombs were secreted in places unlikely to be discovered by the intended victim. This device was fastened to "a piece of paneling." A bomb fastened to a board such as this implies another use. That is, to affix the board with the bomb to a wall, ceiling, under a desk or other similar location. The board placed under a car seat presents a greater risk of being detected prior to detonation, should an occupant of the vehicle glance or feel beneath the seat. A bomb and components taped together in a compact unit can be placed under a car seat with far less likelihood of discovery.

The builder of the bombs had to have certain basic abilities. This person had some skill and knowledge of electric circuitry, wiring, plumbing and carpentry. A degree of skill was needed in the use of hands to solder, bend wire, and generally make things fit. Skills which traditionally are thought to be of the male gender are demonstrated. The builder of the bombs may be a hobbyist as suggested by the "model paint bottle" mentioned in the correspondence. Such hobbies as model plane, train or car building would develop skills used in the bomb construction. A knowledge of hardware terminology is suggested by the reference to the "small hex head screw."

The bomb builder possessed the confidence to construct the device. An area safe from detection and which had space to construct the bomb was needed. A shop, garage or other place with a work bench or surface was necessary. Tools needed to accomplish the bombs manufacture include wire cutters, needle nose pliers, soldering gun or iron, drill and bits, screwdriver or nutdriver, vice and/or pipe wrenches, and a saw. Whoever built the bomb may be in the building trades such as sheetmetal worker, electrician, plumber, carpenter, or general handyman. He probably does not have an extensive background in explosives such as military experience, mining or road construction.

The timing of the communication (postmarked 5 days after the device exploded), religious references, and lack of detail when describing the placement of the device, are factors which challenge the author's claim of formulating and executing a plan to kill Judith Bari and Darryl Cherney. It is conceivable that such a communication was written to shift the focus of the investigation from one area to another.

A comparison of the "Lord's Avenger" communication was conducted against the following letters:

- (1) Letter to [redacted] by Zoro.
- (2) Letter to [redacted] by Lt. Colombo's  
Poker Pal.
- (3) Letter to The Powers That Be by Colonel Zero

b6  
b7c

The format, instrument used for typing, verbiage and content are listed as reasons why we believe the author(s), "Lord's Avenger" most likely did not create the above letters.

As you will see, this letter was mailed from New Jersey to the [REDACTED] residence rather than his office. Apparently his residence address is now widely known by Earth First and others. Needless to say, this also gives us rise for some concern. It was also interesting to note that the author of the cover letter used "recycled" paper stock from a California initiative press type release.

We look forward to any further information that you might have on this matter.

Very truly yours,

As explained in referenced telcall, this is the second time that Congressman Edwards has submitted this list of questions. These questions are being provided to San Francisco for information purposes only. Some of the questions concern information the Oakland Police Department may have had prior to captioned event. As suggested in referenced telcall, San Francisco should share the list with the Oakland Police Department, in the event they receive some questions from Congressman Edwards.

The Honorable William S. Sessions  
Director  
Federal Bureau of Investigation  
J. Edgar Hoover Building  
Washington, D.C. 20515

Dear Director Sessions:

Thank you for your letter of November 14, 1990 regarding the Bureau's investigation of the bombing incident in Oakland, California last May in which two individuals were injured.

Your response assumed that the Subcommittee was asking for the results of the FBI investigation. We were not. Our inquiries focused on certain procedural aspects of the case.

The specific, serious concerns about the role of the FBI that have been brought to the Subcommittee's attention cannot be met by general assurances that the FBI conducts its investigations without bias. To help focus our oversight inquiry, we had drafted a list of questions we wanted to pursue. I have carefully reviewed the questions and have enclosed a revised list. They do not seek the results of the investigation. They do not seek the names of individuals who may be under investigation, the identities of sensitive sources or any grand jury material.

As I suggested in my original letter, I look forward to resolving the concerns raised about the handling of the Oakland bombing while protecting the results of on-going investigations.

Sincerely,

*Don Edwards*

Re Bureau airtel, dated 3/6/91, which enclosed a list of questions furnished to FBIHQ by the office of Congressman DON EDWARDS.

Referenced airtel instructed that San Francisco make contact with the Oakland Police Department.

On 3/25/91, SSA [REDACTED] and SA [REDACTED] case Agent, met with Lieutenant [REDACTED] and Sergeant [REDACTED] Homicide Detail, Oakland Police Department, who have joint jurisdiction in this matter. Lieutenant [REDACTED] was presented with both a list of questions and answers as provided by FBIHQ. [REDACTED] was told that since this was a joint investigation it was only appropriate that Oakland PD know about other activities being conducted, particularly those of the Congressman's office. [REDACTED] asked and was told that it was not necessary for the Oakland Police Department to issue any kind of statement about the interest to Congressman EDWARDS' in this case. [REDACTED] stated that the Oakland Police Department would not issue any statement. He did note that in anticipation of the one year anniversary of this event, that television station KQED of San Francisco is preparing some type of documentary program regarding the entire case. Both Lieutenant [ ] and Sergeant [ ] emphasized that there are no new suspects developed nor have there been any new leads received or developed as a result of their investigation. They were advised that SA [ ] continues to have a small number of leads that need to be run out, and their department will be told of the results of those investigations.

Lieutenant [ ] noted that victim JUDI BARI and her attorney filed a standard claim against the Oakland Police Department, but this will probably be denied as part of an administrative process. He suggested that a law suit naming the Oakland Police Department as a defendant would be filed next by BARI, however, this is only a supposition on his part.

This meeting was entirely cordial and both agencies agreed that this is a very difficult case to work, particularly given the political emphasis placed upon it by certain elements, and this is further compounded by the lack of cooperation by the victims.

## County blasts timber bills

### Board says measures would ruin economy

Mark Rathjen  
Times-Standard

EUREKA — Humboldt County supervisors expressed frustration Monday with pending state timber management legislation they say would devastate the county's economy.

The legislation, co-sponsored by North Coast's representatives in Legislature, is intended to end long-standing feud between the timber industry and environmentalists over timber harvest practices

in California.

However, the supervisors voted 3-to-1 to oppose the current group of four bills because they say the measures don't apply to coastal forest conditions and would cost timber industry jobs and county tax revenue.

Supervisor Julie Fulkerson dissented and Supervisor Bonnie Neely was absent.

"When you keep taking food out of people's mouths, somebody is going to get killed," Supervisor Harry Pritchard said, adding after the

meeting that he was referring to possible violence between timber workers and environmentalists.

"It's my close friends who are going to be put out of work (by the proposed legislation)," Pritchard said. "It makes me really emotional to see them put out of work by a bunch of idiots in Sacramento who've proved they can't do anything right."

Board Chairwoman Anna Sparks testified Monday at committee hearings on the timber bills in Sacramento. She said state lawmakers did not seem concerned that the legislation could hurt county residents.

"Nobody is looking at what they are doing to (local workers)," Sparks said.

Supervisors Julie Fulkerson and Stan Dixon said they also opposed

## President seeking logging balance

WASHINGTON (AP) — President Bush has repeated his pledge to strike a balance between loggers and the northern spotted owl but offered no specifics in a White House meeting with Northwest Republican senators.

Republican Sens. Slade Gorton of Washington and Mark Hatfield and Bob Packwood of Oregon told Bush on Tuesday they fear government efforts to save the owl are

ignoring the impact on workers and their region's timber-based communities.

The senators also laid the groundwork for attempts planned next year to change the Endangered Species Act so that economics carry more weight in dealing with threatened or endangered species, Gorton and Packwood said.

Dear Agent [redacted]

I'm enclosing a letter for Supervisor Harry Pritchard for your files. It is clear by his statement, "When you keep taking food out of peoples' mouths, someone's going to get killed. It's my good friends who are going to be put out of work," that Mr. Pritchard has knowledge of people who could potentially kill someone.

I formally request that you question Mr. Pritchard both in relation to getting leads concerning the May 24, 1990 assassination attempt of Judi Bari and bombing of [redacted] as well as checking him out for future hate crimes which might take place, a matter which is clearly in your and the FBI's jurisdiction.

You can reach me at the above address or my answering service [redacted]. Thank you for your prompt attention to this urgent matter. Let's try to stop the violence against environmental activists this year before Mr. Pritchard's friends and others start it again.

By the way, if you want to check out some real hatred, go to the May 18 patriots rally in Arcata and take notes. Wear plain clothes and mingle. Or better yet, wear an Earth First! shirt and experience hate crimes first hand.

Dear Supervisor Pritchard,

ALL INFORMATION CONTAINED  
HEREIN IS UNCLASSIFIED  
DATE 11/5/94 BY SP-501/BJ

In your recent interview with KMUD news you stated that the alternative to violence was for people to sit down and talk things out. This, of course, followed your unfortunate remark at the supervisors meeting of April 23 in which you said "When you keep taking food out of people's mouths, somebody's going to get killed."

In our own conversation the week after, you and I discussed whether we should make preventing violence an agenda item. Later, you left a phone message for me that asked me to write you requesting to be put on the agenda. This letter constitutes that request.

That desire to meet, however, must be mutual. If the Board of Supervisors wants to know what Earth First! is up to, it should call Earth First! to appear before it rather than idly speculate. There are hundreds, if not thousands of Earth First! supporters in Humboldt County, especially in the second district. We're not hard to find.

In addition, if you feel that some of your friends in the timber industry are about to kill environmentalists, as almost occurred last year when [redacted] bombed, you should summon them to the supervisor's chambers to air their gripes before things get out of hand.

As you undoubtedly know, the timber industry has announced a "hate them" campaign directed at environmentalists, as outlined by [redacted] at the last Redwood Region Logging Conference. You and I both know as well, that Earth First!ers are not the only targets of death threats--elected officials have been receiving them too, of late. Tensions are extraordinarily high and it behooves the Board to overcome these pressures and provide strong and clear leadership toward a violence-free summer.

b6  
b7C

Your remarks on KMUD that clearly called Redwood Summer activists "terrorists" was not helpful at all. I am a Redwood Summer activist and not only do I resent the name-calling, but I recognize it as part of the same "hate-them" campaign that last year led to the bomb attack [redacted]. I am forwarding a copy of this letter to agent [redacted] of the FBI in Eureka. Surely, you will inform him of any rumblings of violence you hear directed toward environmental activists. By the way, Agent [redacted] assures me officially that we are not terrorists.

I am available to appear before the Board on Tuesday, May 28 and can bring several other activists experienced in documenting and preventing violence. Together we can provide a short, cohesive presentation. You can call or write at the above address and number. Looking forward to hearing from you.

Supervisor Harry Pritchard

RESPONSIBLE DUE TO THE RECENT AND PAST INCIDENTS THEY HAVE BEEN HAVING WITH SUSPECT [REDACTED] AND AT PRESENT TIME HE HAS FILED A COMPLAINT AGAINST SUSPECT [REDACTED] FOR STEALING HIS DOG, AND MISCELLANEOUS PROPERTY AND THEY ARE SUPPOSED TO GO TO COURT ON 8/29/85. (NOTES SEE ATTACHED STATEMENTS FROM 1ST & 2ND [REDACTED] WHICH WAS TAKEN BY DEPUTY [REDACTED])

I THEN CONTACTED [REDACTED] AT LOCATION REGARDING THE ABOVE, AND WAS ADVISED HE WAS INSIDE HIS RESIDENCE MAKING COFFEE IN THE KITCHEN WHEN HE HEARD THE GUNSHOTS. HE THEN PROCEEDED TO GO OUTSIDE TO SEE WHAT THE DISTURBANCE WAS, AND PRIOR TO GOING OUTSIDE HE HEARD THREE (3) GUN SHOTS AND THEN HE HEARD A DOOR SLAM. ONCE OUTSIDE HE HEARD HIS NEIGHBOR [REDACTED] CALL OUT TO SUSPECT [REDACTED] TELLING HIM HE HAD IT, AND HE HAD HEARD [REDACTED] OF SOMEONELY REPLY, AND WAS UNABLE TO MAKE OUT WHAT THE REPLY WAS. [REDACTED] ALSO ADVISED THAT HE DID NOT OBSERVE WHO WAS RESPONSIBLE FOR THE ABOVE INCIDENT BUT FEELS SUSPECT [REDACTED] IS RESPONSIBLE DUE TO THE PAST INCIDENT THEY HAVE BEEN HAVING, AND AT PRESENT TIME, KEES'S SUSPECT [REDACTED] IS TRYING TO INTIMIDATE AND CONTROL THE ENTIRE NEIGHBORHOOD TO THE POINT WHERE THEY ARE FEARFUL OF THEIR LIVES. (SEE ATTACHED STATEMENT FROM [REDACTED])

I THEN CONTACTED [REDACTED] REGARDING THE ABOVE.

AND WAS ADVISED, THAT HE WAS AWAKENED BY THE GUNSHOTS WHICH SOUNDED LIKE THEY WERE COMING FROM THE GENERAL AREA OF [REDACTED] RESIDENCE.

RIP [REDACTED] RELATED THAT HE CALLED THE SIO, PRIOR TO GOING OUTSIDE. ONCE OUTSIDE ~~HIS~~ HIS RESIDENCE, HE CALLED OUT, ASKING WHAT WAS GOING ON AND SUBJECT [REDACTED] AND HIS FRIEND [REDACTED] WAS OUTSIDE AND REPLIED TO HIS QUESTION. RIP ADVISED THAT HE DOES NOT EXACTLY REMEMBER WHAT WAS SAID, AND THEN HE WENT BACK INSIDE HIS RESIDENCE.

RIP ALSO ADVISED HE HAS NO IDEA WHO IS RESPONSIBLE FOR THE ASSAULT. BUT ALSO EXPRESSED THE SAME CONCERN AND FEELINGS THAT [REDACTED] 12/1 + 12/2 HAD BOTH TIMES EXPRESSED.

SEE ATTACHED STATEMENT FROM RIP [REDACTED]

IT SHOULD BE NOTED, THAT BOTH VICTIMS, WITNESS & RIP DID NOT OBSERVE SUBJECT [REDACTED] DURING THE SHOOTING, BUT EXPRESSED THEIR FEARING TO RIP THAT THEY FELT THAT [REDACTED] IS RESPONSIBLE, AND THAT WITH IN CORRELATION WITH PAST INCIDENTS WITH SUBJECT, THAT IT HAS REACHED THE POINT WHERE EVERYBODY IS FEARFUL OF THIS SUBJECT, AND IF SOMETHING IS NOT DONE, SOMEONE COULD SERIOUSLY BE INJURED.

**I. INVESTIGATION:** (refer to 85-2135 and 85-1953, which were investigated by myself in conjunction with this case)

8/12/85: I was assigned this case by Lt. [redacted] and conducted follow-up interviews with [redacted] the victim, and the witnesses in this case (refer to the above cases). [redacted] denied responsibility for the shooting, and denied owning, possessing, or having access to any firearm. I conducted searches of [redacted] property and the area around his property, and was unable to find any firearms or other evidence. None of the victim/witnesses were able to say that they had ever seen [redacted] with a firearm.

I conducted a "wants" check of [redacted] with negative results. I discussed the feasibility of conducting a stake-out of the area around [redacted] house with Lt. [redacted] and we decided that it would be better to maintain close contact with [redacted] Neighbors and respond immediately to any sign of problems. Because of the immediate proximity of [redacted] to [redacted] I have remained in contact with [redacted] since this incident and have monitored the situation. b6 b7C

**J. RECOMMENDATIONS:** I advised [redacted] that our investigation of this and any other crimes in the area would be extensively investigated and the persons responsible would be prosecuted if possible. I advised all of [redacted] neighbors that they were to call MCSO at any sign of trouble, and specifically in the case of [redacted] I gave them my home telephone number and requested that they call me personally if they had any problems or questions as to whether they needed an officer to respond. In fact I did later on get a call at home from [redacted] and based on what she told me about [redacted] causing a disturbance I had a deputy respond --I believe it was Dep. [redacted] --and handle the situation. [redacted] later told me that the deputy did a very good job in resolving the problem. [redacted] later told me that on one occasion [redacted] saw [redacted] prowling and on another occasion [redacted] made a veiled threat to her. I told her that we would pursue an investigation and prosecution regarding those incidents if she and [redacted] wished, and after she consulted with her husband she told me that she would rather not-- that the [redacted] were being evicted and hopefully that would solve the problem. File inactive.

On 5/22/91, SA [redacted] received an anonymous telephone call at the Concord Resident Agency from an individual who sounded like a white male. The caller said that he did not wish to disclose his identity, although he had previously had some contact with SA [redacted] of the FBI in Santa Cruz, California. The caller advised that a newspaper article, which appeared today describing a lawsuit against the FBI by JUDI BARI and DARRYL CHERNEY, had spurred him to call with the following information:

He has been associated with JUDI BARI, [redacted] Earth First!, and other radical environmentalists for the past few years. He is convinced [redacted] and BART [redacted]

This group, primarily [redacted] and [redacted] have utilized their contracts to clear branches from power lines for utility companies to plan and conduct sabotage against the timber and power industry. About two years ago, the caller was asked by [ ] about the effect of putting nails in a homemade bomb in the belief that the caller had some demolition experience.

The caller also recalls [ ] and the others talking about plans to blow up power poles in the Santa Cruz area. [ ] has also bragged about having drained the oil out of heavy equipment belonging to logging and power companies.

The caller advised that he has it on a first-hand basis that [ ] and the others are trafficking in narcotics in the [ ] California area in order to raise money to support their extremist environmentalist activities, although they are, for the most part, not users themselves. [ ] is also currently active organizing people in [ ] Valley, California.

The caller described [ ] as a white male, about 35 years of age, 5' 10", and slender. Another environmental extremist is a white female in her mid-30s by the name of [ ] (LNU), who lives in her blue Datsun pickup with a camper shell. She often stays at the residence of [ ] but travels frequently on behalf of Earth First! between Arizona, Santa Cruz, and the Northwest recruiting people.

The caller repeated his insistence upon remaining anonymous while wishing to furnish information about illegal activities of environmental extremists. He agreed to recontact SA [ ] in the future if he has any additional information.

## REVIEW OF EVIDENCE

On 5/31/91, SSA WEBB, SA [REDACTED] and SA [REDACTED] retrieved all of the physical evidence from the BARI/CHERNEY bombing crime scene from the Bulky Exhibit Room. All of this evidence was laid out in the office conference room, examined as to origin and location. Additionally, it was determined that all of the evidence had been returned from the FBI Laboratory in December, 1990, however, had not been placed back into the original boxes where it had been placed at the time of collection. Therefore, all the returned evidence was placed back in the original evidence boxes except for a new evidence box which was created. This particular box contains device components from the improvised explosive device, such as nails, clock parts, wire fragments, etc. A separate list was created and is maintained as part of this memo which indicate which pieces of evidence are contained in this new box of exhibits.

This will allow the case Agent and other interested investigators to be able to look at the device components without having to resort to going through all the other gross exhibits.

Action: For information.

Honorable Alan Cranston  
United States Senate  
Washington, D.C. 20510

Dear Senator Cranston:

I am writing in further response to your May 24th inquiry on behalf of [redacted] and to [redacted] letter to President Bush concerning the bombing incident involving Ms. Judi Bari.

The FBI and the Oakland, California, Police Department are jointly investigating this event, and I am not at liberty to comment specifically regarding this case because FBI and Department of Justice policy prohibits comment on pending investigations. This policy has existed for a number of years and serves to prevent any impact on judicial proceedings relative to criminal charges that may result from the investigation. However, I do want to assure [redacted] that, contrary to his belief, this case has received and continues to receive appropriate investigative attention by the FBI.

Dear Senator Cranston,

I'm writing to you because I'm deeply concerned about the bombing of an automobile containing Judi Bari + another Earth First! activist. The FBI immediately declared that they were members of a terrorist organization, and that they were responsible for the bomb. As far as I'm aware of, neither Judi Bari nor Earth First! has ever advocated or taken responsibility for bombings. In our society, people are considered innocent until proven guilty. In this case the victims were considered guilty without trial or even investigation. The FBI and other law enforcement groups refused categorically to investigate the bombing, in essence letting the real terrorists get away with it.

The Audubon society, of which I'm a member has said the charge that Judi Bari is a terrorist is ridiculous. While I certainly don't agree with the radical tactics or philosophies of Earth First!, I'm deeply concerned that the FBI has declared open season (even for murder) on environmental activists, for purely political reasons.

The FBI official that was responsible for this sham should be removed from his job. A thorough + impartial investigation of both the attempted murder + the FBI should be launched immediately. I'd like to hear back from you on what you think should be done.

Sincerely

CA

18  
19 IV. PRELIMINARY STATEMENT

20  
21 34. In this lawsuit, plaintiffs JUDI BARI and DARRYL  
22 CHERNEY allege that the defendants have acted in a course of  
23 concerted activity to commit, and continues to commit certain  
24 unlawful acts (as well as lawful acts for an unlawful purpose)  
25 against JUDI BARI and DARRYL CHERNEY of Earth First! and the  
26

1 Redwood Summer campaign of 1990.

2 35. Plaintiffs allege that, with deliberate indifference  
3 to their constitutional rights, defendants have participated in a  
4 course of conduct to:

5 1. Misstate the location of the bomb;  
6 2. Spoliate as evidence JUDI BARI's bombed Subaru;  
7 3. Fabricate an allegation that nails in the bomb and  
8 nails located in BARI's home were manufactured by the same machine  
9 within a batch of 200-1000 nails;

10 4. Furnish to the news media a photograph of JUDI BARI  
11 that was designed to create deceptive publicity of Ms. BARI as a  
12 violent person;

13 5. Engage in only a cursory investigation for the  
14 bomber;

15 6. Engage in only a cursory investigation of the death  
16 threats and the "press releases" that endangered the plaintiffs'  
17 lives;

18 7. Conduct surveillance and intelligence gathering on  
19 the plaintiffs and their political groups in a manner that chilled  
20 their First Amendment rights;

21 8. Withhold from the plaintiffs' investigative team the  
22 evidence that would lead to the car bomber; and

23 9. Label the plaintiffs JUDI BARI and DARRYL CHERNEY as  
24 "suspects" in order to justify the aforementioned withholding of  
25 evidence.

1           36. In this course of conduct, RICHARD W. HELD (the  
2 Special Agent in Charge for the San Francisco region) has been  
3 aided by Special Agent FRANK DOYLE, JR. of the  
4 International/Domestic Terrorism Squad, who falsely alleged that it  
5 was his expert opinion that the bomb that exploded in JUDI BARI's  
6 Subaru on May 24 was located on the rear seat floorboard behind the  
7 driver's seat, rather than under Ms. BARI's seat.

8           37. The defendant HELD has also been aided by SA DAVID A.  
9 WILLIAMS from the Explosives Unit and the FBI Crime Lab, who  
10 falsely alleged on June 14, 1990 that he could testify that the  
11 "bomb fragmentation nails" and the nails located at Ms. BARI's  
12 residence were manufactured by the same machine within a batch of  
13 two hundred to one thousand nails.

14           38. Defendant HELD has also been aided by defendant SA  
15 JOHN RIKES, the leader of the FBI's team of investigators.

16           39. Plaintiffs JUDI BARI and DARRYL CHERNEY allege that  
17 from the outset, the location of the bomb explosion was obvious to  
18 both trained and untrained observers.

19           40. Plaintiffs MENDOCINO ENVIRONMENTAL CENTER and BETTY  
20 BALL allege that the Mendocino sheriffs and the Ukiah police failed  
21 to investigate threats made against them, and join the other  
22 plaintiffs in this lawsuit in this regard. GARY BALL joins in  
23 these allegations against the UKIAH POLICE DEPARTMENT.

24           41. On information and belief, Plaintiffs allege that all  
25 intentional and/or reckless acts alleged within each of the tort  
26

1 causes of action in this complaint were committed with oppressive,  
2 fraudulent, or malicious intent on the part of the defendants.

3 42. Other individuals named as defendants include:

4  
5 A. Oakland police department

6 (1) Captain JAMES HAHN, who admittedly permitted his  
7 officers to "leak" alleged "evidence" of the bombing into the media  
8 from May, 1990 until July, 1990;

9 (2) Lieutenant C. MICHAEL SIMS, the head of the  
10 investigation for the Oakland police. Among other statements to  
11 the press, he stated that "there are no other suspects" on June 8,  
12 1990;

13 (3) Homicide Sergeant ROBERT CHENAULT, who plaintiffs  
14 allege sought the original search warrant of the plaintiffs' homes  
15 on May 25, 1990 without probable cause;

16 (4) Homicide Sergeant MICHAEL SITTERUD, who plaintiffs  
17 allege sought a second search warrant of the home of JUDI BARI on  
18 June 25, 1990 without probable cause;

19 (5) Sergeant RAMON PANIAGUA, one of the original  
20 investigators of the bombing;

1           B. Mendocino County Sheriff's Department

2           (1) Sheriff TIM SHEA, who instituted a command center to  
3 handle concerns arising from "Redwood Summer", and then refused to  
4 investigate death threats and fake "press releases" that were  
5 endangering the lives of plaintiffs JUDI BARI, DARRYL CHERNEY,  
6 BETTY BALL, and the welfare of the MENDOCINO ENVIRONMENTAL CENTER  
7 during the months of April and May of 1990;

8           (2) Deputy BURL MURRAY, who refused to aid these  
9 plaintiffs upon viewing these documents and threats on April 20,  
10 1990;

11           (3) Deputy SATTERWHITE, who joined MURRAY in this refusal  
12 and stated to plaintiff BARI "If you turn up dead, we'll  
13 investigate."

14  
15           C. Humboldt County Sheriff's Department

16           (1) Lieutenant FRANK VULICH, deputy sheriff of the COUNTY  
17 OF HUMBOLDT in the Garberville branch office, who refused to aid  
18 DARRYL CHERNEY's request for a criminal investigation of the person  
19 who created the fake press releases or of the death threats he had  
20 received. The previous year, Lieutenant VULICH allegedly "left the  
21 scene" of a demonstration at a logging site, where demonstrators  
22 were receiving threats against their physical safety. Shortly  
23 after his departure, company employees physically attacked the  
24 demonstrators.

25           (2) Sergeant CIARABELLINI, deputy sheriff of the COUNTY OF  
26

1 HUMBOLDT in the Eureka main office. Sergeant CIARABELLINI  
2 informed CHERNEY that his superior already had copies of the fake  
3 press releases and would not investigate, adding that "These press  
4 releases will definitely result in somebody getting killed. You'll  
5 be lucky to be beaten up."

6  
7 D. Ukiah Police Department

8 (1) Chief FRED KEPLINGER of the UKIAH POLICE DEPARTMENT,  
9 on June 1, 1990, disseminated a photo of JUDI BARI carrying a gun  
10 in a manner that made it probable that it would be reproduced in  
11 the news media in a manner that would deceptively portray Ms. BARI  
12 as a violent person.

13 (2) DOE I, a police officer with the UKIAH POLICE  
14 DEPARTMENT, on April 25, 1990, responded to a request for  
15 investigation regarding the death threats addressed to BETTY BALL,  
16 JUDI BARI, and the MENDOCINO ENVIRONMENTAL CENTER by stating that  
17 the police would not conduct any investigation.

18 (3) DOE II, a police officer with the UKIAH POLICE  
19 DEPARTMENT, on August 3, 1990, responded to a request for  
20 investigation regarding a physical attack on plaintiffs BETTY BALL  
21 and GARY BALL by stating that the police would not conduct any  
22 investigation.

23 (4) DOE III, a police officer with the UKIAH POLICE  
24 DEPARTMENT, during February 1991, responded to a request for  
25 investigation regarding a physical attack on plaintiff GARY BALL by  
26

1 stating that the police would not conduct any investigation.

FACTS

7  
8 A. The bombing of May 24, 1990, and its aftermath

9 43. On May 24, 1990, plaintiffs JUDI BARI and DARRYL  
10 CHERNEY were on a musical concert and speaking tour to galvanize  
11 support for the Redwood Summer campaign, designed to save the last  
12 of California's old-growth redwood forests. They were urging  
13 people to participate in non-violence trainings and come to the  
14 first Redwood Summer political event within the next thirty days.

15 44. While driving on Park Boulevard at the intersection of  
16 MacArthur in Oakland, California, a bomb detonated underneath the  
17 driver's seat of Ms. BARI. Plaintiff JUDI BARI suffered multiple  
18 fractures of the pelvis, a paralyzed right leg, permanently  
19 dislocated coccyx and sacrum (pulverized by the blast), a two inch  
20 diameter cavity on the upper backside, and severe nerve damage,  
21 among other injuries; the plaintiff DARRYL CHERNEY suffered a  
22 laceration of the eye, facial lacerations and other injuries.

23 45. The perpetrator of this bombing remains unknown.

24 46. On May 24, 1990, both the OAKLAND POLICE DEPARTMENT and  
25 the Federal Bureau of Investigation began an investigation that was  
26

1 conducted with a reckless disregard for the truth and with  
2 deliberate indifference towards the rights of BARI and CHERNEY.  
3 Defendant JOHN RIKES supervised the FBI investigation of the BARI  
4 bombing, and reported to Defendant HELD. Defendant C. MICHAEL SIMS  
5 supervised the OPD investigation, and reported to Defendant HAHN.

6 47. On May 24, 1990, Special Agent FRANK DOYLE, JR. told  
7 Sergeant ROBERT CHENAULT of the OAKLAND POLICE DEPARTMENT that in  
8 his expert opinion as a hazardous bomb technician with the  
9 International/Domestic Terrorism Squad, the bomb device was on the  
10 floor board behind the driver's seat when it detonated.

11 48. On May 24, 1990, plaintiffs BARI and CHERNEY allege that  
12 on the order of DOE III of the OAKLAND POLICE DEPARTMENT, both of  
13 these plaintiffs were arrested by MICHAEL SITTERUD and ROBERT  
14 CHENAULT for possession of explosives and transportation of  
15 explosives without probable cause.

16 49. Bail was set at \$100,000. JUDI BARI was involuntarily in  
17 police custody at Highland Hospital until the initial court hearing  
18 on May 29, 1990. On or about May 26, 1990, despite her near-fatal  
19 condition, she was moved to the jail ward from intensive care by  
20 the Oakland Police, with deliberate indifference to her health and  
21 safety.

22 50. DARRYL CHERNEY was released from the Highland Hospital  
23 immediately after bandaging his eye and facial lacerations, and was  
24 incarcerated in the Oakland City Jail until he paid a nonrefundable  
25 \$10,000 bond on May 28, 1990.

1           51. Plaintiffs further allege on May 25, 1990, Sgt. ROBERT  
2 CHENAULT obtained search warrants to search the homes and  
3 properties of JUDI BARI and DARRYL CHERNEY without probable cause.

4           52. On information and belief, plaintiff JUDI BARI alleges  
5 that defendants HELD, RIKES, SIMS and DOES III-CCC unlawfully  
6 sought and seized personal possessions in her car, including but  
7 not limited to "Redwood Summer" organizing materials, her violin,  
8 clothing, personal files, tools, her children's birth certificates  
9 and vaccination records and the like, without a warrant or probable  
10 cause. Defendants have not returned these items to her.

11           53. Plaintiffs BARI and CHERNEY further allege on  
12 information and belief that in late May of 1990, on the order of  
13 defendant HELD, RIKES, HAHN and/or SIMS, unknown agents of the  
14 Federal Bureau of Investigation and the OAKLAND POLICE DEPARTMENT  
15 spoliated evidence by dismantling portions of the white Subaru of  
16 JUDI BARI, with deliberate indifference to the rights of these  
17 plaintiffs.

18           54. This dismantlement resulted in disturbing the  
19 correlation of the various damaged portions of the vehicle,  
20 destroying key evidence that would aid investigators in gleaning  
21 further evidence concerning the bombing.

22           55. Similarly, until plaintiffs obtained a court order on  
23 June 11, 1990, Plaintiffs BARI and CHERNEY further allege that the  
24 OAKLAND POLICE DEPARTMENT conducted the preservation of the white  
25 Subaru in a manner that was deliberately indifferent to the  
26

1 importance of preserving critical forensic evidence.

2 56. From May 1990 until July of 1990, plaintiffs BARI and  
3 CHERNEY allege on information and belief that defendants HAHN,  
4 SIMS, SITTERUD, Sergeant RAMON PANIAGUA, and other members of the  
5 OAKLAND POLICE DEPARTMENT engaged in selective leaks that resulted  
6 in deceptive publicity calculated to misportray plaintiffs BARI and  
7 CHERNEY as violent people. These defendants misportrayed to the  
8 public the location of the bomb in the vehicle and misportrayed the  
9 significance of the finishing nails found in BARI's vehicle at the  
10 time of the explosion.

11 57. Plaintiffs are informed and believe and hereby allege  
12 that on or about June 12, 1990, the defendants and DOES I-CCC  
13 maliciously released a photo to news reporters and/or other  
14 individuals in a manner calculated to create deceptive publicity.  
15 The photograph depicted plaintiff JUDI BARI holding a rifle, and  
16 the public release of this photograph was calculated to misportray  
17 plaintiff BARI as a violent person. A copy of this photo is  
18 attached and is incorporated by reference as Appendix A herein.

19 58. Ukiah Police Chief FRED KEPLINGER had previously  
20 disseminated to law enforcement agencies on June 1, 1990 this photo  
21 in a manner that made it probable that it would be released to  
22 individuals not directly connected with the investigation of the  
23 car bombing. Plaintiffs allege on information and belief that  
24 CHIEF KEPLINGER had no basis to place any trust in the reliability  
25 of the informant that supplied him with the photo.

1           59. On June 25, 1990. a second search warrant was obtained  
2 by Sgt. MICHAEL SITTERUD to search Ms. BARI's home and property.  
3 This warrant was based primarily on the statement of Special Agent  
4 DAVID R. WILLIAMS, who allegedly informed Sgt. SITTERUD on June 14,  
5 1990 that he and other agents had studied the "tool marks of  
6 manufacture" on the nails recovered from Ms. BARI's house and the  
7 nails with duct tape residue recovered from the bomb scene car.  
8 WILLIAMS told SITTERUD that he could now testify that the "bomb  
9 fragmentation nails" and the nails at BARI's house were  
10 manufactured by the same machine "within a batch of 200 to 1000  
11 nails."

12           60. On or about July 6, 1990, following a press conference  
13 in which supporters of BARI and CHERNEY alleged that injuries to  
14 BARI proved that the bomb exploded underneath the driver's seat of  
15 her car, OAKLAND POLICE DEPARTMENT officials admitted that the bomb  
16 was under the front seat, but stated that BARI and CHERNEY remained  
17 suspects as the nails in the pipe bomb allegedly matched the nails  
18 in BARI's house.

19           61. On or about July 17, 1990, Alameda County District  
20 Attorney Chris Carpenter announced that he would not file any  
21 charges against BARI and CHERNEY.

22           62. On or about November 20, 1990, plaintiffs BARI and  
23 CHERNEY filed tort claims fully regarding these incidents with the  
24 CITY OF OAKLAND. These claims were denied by this defendant during  
25 January of 1991.

1           63. The defendants RICHARD HELD, JAMES HAHN, and C. MICHAEL  
2 SIMS maintain that the plaintiffs JUDI BARI and DARRYL CHERNEY  
3 remain "suspects". FBI spokesman Duke Diedrich has stated that if  
4 these plaintiffs were not "suspects", but "victims", the case could  
5 be turned over to the Bureau of Alcohol, Tobacco and Firearms.  
6

7           B. Failure of the defendants to respond to threats to  
8 plaintiffs made prior and since the bombing

9           64. In February of 1990, the plaintiffs and other activists  
10 announced their plans for a political campaign for a "Mississippi  
11 Summer in the California Redwoods", commonly known as "Redwood  
12 Summer". This political campaign was widely reported on television  
13 and in the print media, as were the identities of these plaintiffs.

14           65. Following the announcement of this campaign, the  
15 MENDOCINO COUNTY SHERIFF'S DEPARTMENT set up a command center to  
16 respond specifically to issues arising from the Redwood Summer  
17 campaign, and specifically asked plaintiff JUDI BARI to meet with  
18 them.

19           66. On April 9, 1990, the news media reported that the  
20 plaintiffs JUDI BARI, DARRYL CHERNEY, and other activists were  
21 preparing to announce their opposition to the practice of "tree  
22 spiking", a practice in which spikes are driven into several trees  
23 and then announcing the spiking to the logging companies --in order  
24 to discourage the cutting down of a grove of trees by said logging  
25 companies.

26           67. Commencing on or about April 10, 1990, JUDI BARI

1 receives several written death threats that are delivered to the  
2 plaintiff MENDOCINO ENVIRONMENTAL CENTER (MEC). The plaintiff MEC  
3 and BETTY BALL receive death threats as well. Several of these  
4 documents are attached as Appendix B and are incorporated by  
5 reference.

6 68. During this same period of time, two fake documents are  
7 circulated in large numbers among the timber mills of Northern  
8 California. Throughout the remainder of the complaint, these  
9 documents will be referred to as the "fake press releases". The  
10 first "fake press release", allegedly created by the nonexistent  
11 organization of "Earth First!, Arcata", states that the  
12 organization disagrees with plaintiff DARRYL CHERNEY's decision to  
13 oppose the practice of "tree spiking". Stating that "we are in a  
14 'war'" with the north coast timber companies, the first fake press  
15 release states that "we intend to spike trees, monkeywrench, and  
16 even resort to violence if necessary". This document is attached  
17 as Appendix C and is incorporated by reference.

18 69. The second fake press release, on "Earth First!"  
19 letterhead, advocates the "sabotage" of timber industry activities.  
20 It asks that donations be sent to plaintiff CHERNEY. This document  
21 is attached as Appendix D and is incorporated by reference.

22 70. Plaintiffs allege that these documents were distributed  
23 not only to the press, but were also left in stacks in breakrooms  
24 in numerous lumber mills, in laundromats in logging towns, faxed  
25 around the country, and mailed to workers by management.

1           71. On April 20, 1990, plaintiffs JUDI BARI, BETTY BALL,  
2 and representatives of MENDOCINO ENVIRONMENTAL CENTER and "Redwood  
3 Summer" ask the MENDOCINO COUNTY SHERIFF'S DEPARTMENT deputies  
4 SATTERWHITE and MURRAY to investigate the death threats made  
5 against JUDI BARI and BETTY BALL, and the threats mailed to the  
6 offices of the MENDOCINO ENVIRONMENTAL CENTER (noted in Appendix  
7 B).

8           72. Mendocino County deputies SATTERWHITE and MURRAY  
9 refused to file a report or to conduct any investigation. DEPUTY  
10 SATTERWHITE stated, "We don't have the manpower to investigate. If  
11 you turn up dead, we'll investigate."

12           73. On a later date, Sheriff SHEA also refused to file a  
13 report or conduct any investigation, despite the fact that  
14 plaintiff BARI lived outside of Ukiah and SHEA was charged with  
15 responsibility with monitoring "Redwood Summer". DOES IV-CCC were  
16 also asked to investigate these incidents; these defendants also  
17 refused to investigate.

18           74. On or about April 20, 1990, plaintiff DARRYL CHERNEY  
19 telephoned the Garberville office of the HUMBOLDT COUNTY SHERIFF'S  
20 DEPARTMENT in order to seek an investigation of the person who  
21 created the fake press releases, as well as to report a death  
22 threat that he had received. In speaking to LT. FRANK VULICH,  
23 Defendant VULICH refused to conduct any investigation of any kind  
24 concerning these matters, and refused to make any inquiries  
25 concerning the person accused by CHERNEY as the one who CHERNEY  
26

1 believed had written the letters. This refusal continued even  
2 after CHERNEY stated certain previous acts by the suspect that led  
3 him to this conclusion. Moreover, Lt. VULICH refused to fill out  
4 a criminal report concerning these events. He would only take down  
5 this information as an "informational item."

6 75. Dissatisfied, the plaintiff CHERNEY called back the  
7 Eureka office. He repeated to Defendant SGT. CIARABELLINI the  
8 course of events as recounted in the preceding paragraph, and  
9 complained to him that Lt. FRANK VULICH refused to take action or  
10 to characterize his complaint as a criminal complaint. SGT.  
11 CIARABELLINI said to him, "These press releases will definitely  
12 result in somebody getting killed. You'll be lucky to be beaten  
13 up." SGT. CIARABELLINI informed the plaintiff that he already had  
14 possession of these "press releases" and the death threat through  
15 other sources, and that his superior Lt. Done also was in  
16 possession of these same documents. He refused to conduct any  
17 investigation of any kind.

18 76. Following the discussions with Sheriff SHEA,  
19 SATTERWHITE and MURRAY described above, more death threats were  
20 received by CHERNEY, BARI, and the MENDOCINO ENVIRONMENTAL CENTER.  
21 In late April of 1990, plaintiff BETTY BALL contacted the UKIAH  
22 POLICE DEPARTMENT and requested an investigation into the death  
23 threats made against JUDI BARI, herself, and the threats delivered  
24 to the MEC. Defendant DOE I responded to the call and personally  
25 viewed the written death threats. Defendant DOE I reviewed the  
26

1 material, and left refusing to take any action other than "note it  
2 in the log."

3 77. On April 24, 1990, DARRYL CHERNEY is arrested near the  
4 Golden Gate Bridge while making a telephone call, as other members  
5 of Earth First! are arrested for an action of nonviolent civil  
6 disobedience on the bridge itself. CHERNEY's car is impounded by  
7 the Marin County sheriffs. When CHERNEY recovers his vehicle, he  
8 discovers that his notebooks on the "Redwood Summer" campaign are  
9 missing and have been seized by the Marin County sheriffs.

10 78. These notebooks are returned to CHERNEY by the Marin  
11 County sheriffs during the autumn of 1990. Plaintiff CHERNEY  
12 alleges that the defendants obtained and disseminated the  
13 information from these notebooks after the bombing without probable  
14 cause and in violation of his right to privacy.

15 79. On May 1, 1990, an acrimonious Mendocino County Board  
16 of Supervisors meeting takes place, with the plaintiff JUDI BARI  
17 explaining the scope and extent of "Redwood Summer." When the  
18 plaintiff BARI complained about the death threats that had been  
19 made against her, Supervisor Marilyn Butcher responded by stating,  
20 "JUDI, you've brought this on yourself." During the meeting, some  
21 loggers threatened violence against the "Redwood Summer" campaign,  
22 while supervisors sat and watched quietly.

23 80. Since the bombing, this type of activity has continued.

24 81. On August 3, 1990, plaintiffs GARY BALL and BETTY BALL  
25 were threatened by a man outside of the MENDOCINO ENVIRONMENTAL  
26

1 CENTER, which is next door to a bar known as the "Sports Attic."  
2 The man hurled beer in the face of GARY BALL. He was then joined  
3 by several other men from the bar. Uttering epithets concerning  
4 the environmental activism of GARY BALL, they commenced to rock the  
5 BALLS' automobile back and forth while the BALLS were in the car.  
6 GARY and BETTY BALL barely escaped having their car overturned.  
7 When the plaintiffs reported this incident to DOE II of the UKIAH  
8 POLICE DEPARTMENT, DOE II responded that he would not conduct any  
9 investigation, but would merely "log" the incident.

10 82. During February 1991, a man named Joseph Nortman came  
11 to the MENDOCINO ENVIRONMENTAL CENTER and uttered repeated threats  
12 to burn down the Center and to attack GARY BALL. When GARY BALL  
13 reported this incident to DOE III of the UKIAH POLICE DEPARTMENT,  
14 DOE III responded and checked the man's identification. DOE III  
15 then stated that he would not conduct any investigation or arrest  
16 of this man, as he felt the man had a mental problem but was not  
17 dangerous. Plaintiffs are informed and believe and hereby allege  
18 that the Ukiah police identified this man as "Atis Crusa" and  
19 further allege that DOES III-CCC were recklessly mistaken in their  
20 identification of this man as Atis Crusa.

21  
22 V. PATTERN AND PRACTICE OF PRIOR AND SIMILAR INCIDENTS COMMITTED  
23 BY MENDOCINO AND HUMBOLDT DEFENDANTS

24 83. The conduct of defendants affiliated with MENDOCINO  
25 COUNTY SHERIFF'S DEPARTMENT and HUMBOLDT COUNTY SHERIFF'S  
26 DEPARTMENT constitutes a law enforcement pattern and practice

1 whereby Mendocino and Humboldt County residents seeking to express  
2 their opposition to prevailing logging practices, including highly  
3 destructive clear-cutting and shelterwood removal, are not afforded  
4 due process under the law by the defendants.

5 84. These defendants have also exhibited a practice of  
6 preferential treatment on behalf of certain logging and trucking  
7 companies, whereby defendants either refuse to investigate and/or  
8 refuse to make arrests for clear violations of state and local  
9 laws. This practice has been manifested by the following  
10 incidents:

11 85. In May of 1987, at the Yaeger Creek Log Deck, in the  
12 town of Carlotta, a pickup truck struck a picketer. Despite a  
13 timely report and identification provided to the HUMBOLDT COUNTY  
14 SHERIFF'S DEPARTMENT, the Department refused to conduct an arrest.

15 86. In May of 1988, at the same location, an out-of-control  
16 logging truck during the course of a demonstration forced plaintiff  
17 DARRYL CHERNEY and a Humboldt County sheriff to dive out of the  
18 path of the truck. Again, no arrest or citation of any kind was  
19 issued by the HUMBOLDT COUNTY SHERIFF'S DEPARTMENT.

20 87. On June 16, 1989, a peaceful demonstration was in  
21 progress next to the Calpella chip mill. An unknown civilian  
22 approached the demonstrators brandishing a chain saw, revving its  
23 engine and threatening the demonstrators. Greg King, a  
24 demonstrator, verbally confronted this person and was punched to  
25 the ground in front of CHP officers.

1           88. Despite the commission of a misdemeanor in the presence  
2 of these CHP officers, and the return of the Mendocino sheriffs  
3 shortly thereafter, the sheriffs refused to arrest the person with  
4 the chainsaw and suggested that they would arrest the demonstrators  
5 instead.

6           89. On or about August 9, 1989, a peaceful demonstration  
7 was underway in an area of Mendocino County known as "Whitethorn",  
8 with demonstrators occupying a section of roadway to block logging  
9 trucks. As a truck drove toward them, they elected to move off the  
10 highway. The driver accelerated toward the demonstrators, striking  
11 a demonstrator named Bill Matthews and hurling him onto the  
12 shoulder of the road.

13           90. CHP officers and deputies of the Sheriff's Department  
14 of the COUNTY OF MENDOCINO were advised of the occurrence; they  
15 contacted the driver, but refused to engage in further  
16 investigation, arrest, or to refer the matter to the District  
17 Attorney for possible further prosecution.

18           91. On August 16, 1989, a number of demonstrators were  
19 engaged in another peaceful demonstration in the aforementioned  
20 Whitethorn area, at a Lancaster Logging operation. Defendant  
21 VULICH and Deputy Mert Baarts arrived together at the  
22 demonstration, and spoke to the demonstrators and to the owners and  
23 employees of Lancaster Logging. Defendant VULICH and/or Deputy  
24 Baarts were informed by local demonstrator Bill Matthews that a  
25 loaded shotgun lay on the seat of a nearby Lancaster Logging truck.  
26

1 Deputy Baarts observed the loaded weapon in the vehicle but took no  
2 action, although the presence of the weapon clearly violated the  
3 law. This same weapon was fired later in the day by a juvenile  
4 member of the Lancaster family or an employee of Lancaster Logging  
5 in order to frighten and intimidate the demonstrators.

6 92. Defendant VULICH and Deputy Baarts knew that a  
7 dangerous, tense and volatile atmosphere existed, and also knew  
8 that other law enforcement personnel were on their way to relieve  
9 them. Nonetheless, these deputies chose to leave before  
10 replacements arrived.

11 93. Immediately after their departure, the owners of  
12 Lancaster Logging and their employees began to harass the  
13 demonstrators. Gladys Lancaster, angered at having a worker's  
14 picture taken by a demonstrator, forcefully and unlawfully grabbed  
15 the camera -- another worker then smashed it into pieces with an  
16 axe.

17 94. Mem Hill, one of the demonstrators, observed this  
18 skirmish from a distance and decided to verbally intervene and urge  
19 nonviolence. As she walked in that direction, she paused in the  
20 vicinity of the demonstrators and Lancaster Logging employees in  
21 order to calm them. An employee of Lancaster Logging named David  
22 Lancaster punched Ms. Hill two or more times directly in her face.  
23 He broke her nose in two locations and knocked her unconscious,  
24 which also caused extensive bleeding internally and about her face.

25 95. Deputies from the MENDOCINO COUNTY SHERIFF'S DEPARTMENT  
26

1 arrived on the scene shortly thereafter, led by Sgt. Jack  
2 Stapleton. Sgt. Stapleton and his deputies spoke at length with  
3 members of Lancaster Logging but only briefly with a few  
4 demonstrators. Stapleton refused to arrest David Lancaster for  
5 battery, or Gladys Lancaster and Lancaster Logging employees who  
6 forcefully took and destroyed the camera for malicious vandalism.

7 96. On this same date, Sgt. Stapleton and his deputies also  
8 chose not to take any written statements or conduct a timely  
9 investigation of the incident, instead turning it over to the  
10 California Department of Parks and Recreation. As a result of the  
11 non-performance of their investigative duties, a less well-trained  
12 ranger with Parks and Recreation was left with the entire task of  
13 collecting statements a week or more after the incident and  
14 forwarding these to Susan Massini, the District Attorney for the  
15 COUNTY OF MENDOCINO.

16 97. Shortly after the August 16, 1989 incident, Deputy  
17 Sheriff Larry Gander subsequently issued a misleading press release  
18 from the Sheriff's Department of the COUNTY OF MENDOCINO about said  
19 incident. This misleading press release reflected the partial and  
20 incomplete investigation conducted by the MENDOCINO COUNTY  
21 SHERIFF'S DEPARTMENT, which was written in the passive voice so as  
22 to imply that the assailant of the plaintiff was unknown and that  
23 pushing and shoving was initiated by the demonstrators.

24 98. This interpretation of events was subsequently adopted  
25 by Ms. Massini to justify non-prosecution of any of the employees  
26

1 of Lancaster Logging for the events chronicled above or for the  
2 additional allegations that these employees had threatened  
3 demonstrators with weapons or with wooden clubs.

4 99. On August 19, 1989, plaintiff JUDI BARI's car was  
5 rammed from the rear by a logging truck driven by Donnie Blake near  
6 Philo in Mendocino County. Unknown to her at the time of the  
7 collision, this same truck and driver had been blockaded by BARI  
8 and others from leaving a timber harvest area only one day before  
9 the ramming incident. Plaintiffs BARI, CHERNEY, a friend named Pam  
10 Davis and her two children, and plaintiff BARI's two children were  
11 injured as it was struck and slammed into a parked vehicle.  
12 Civilian observers estimated the truck's speed at approximately 45  
13 m.p.h. and well in excess of the posted speed zone.

14 100. Despite the clear speed violation and others, such as  
15 a broken speedometer in the truck, investigating CHP officers  
16 prepared a cursory and inaccurate report, focusing instead on  
17 whether the totally destroyed BARI vehicle had proper functioning  
18 brake lights.

19 101. Upon discovering that the Blake truck was the same one  
20 blockaded two days before, BARI requested Ms. Massini to  
21 investigate the incident further to determine if the collision was  
22 accidental or intentional. Ms. Massini refused to do so.

23 102. On April 11, 1990, Greg King, now active with the  
24 "Redwood Summer" campaign, was leaving station KMUD in Garberville  
25 on foot after completing his radio show. As he proceeded down  
26

1 Redwood Drive, he was accosted and unlawfully detained by Humboldt  
2 Sheriff's deputy Scott Smith. Without cause, and in violation of  
3 the law, Smith demanded proof of identity. King was detained for  
4 about fifteen minutes while the deputy conducted a radio check for  
5 possible arrest warrants.

6 103. When Greg King attempted to make a report about the  
7 incident at the Garberville substation the next day, King was told  
8 that he must drive to Eureka to do so. Duty deputy Gustin then  
9 forcibly removed King when King would not respond to Gustin's  
10 interrogation of him.

11  
12 FIRST CAUSE OF ACTION

13 (42 U.S.C. Section 1983 -- Count One; all defendants)

14 104. Plaintiffs incorporate by reference the allegations  
15 contained in paragraphs 1-103.

16 105. Plaintiffs BARI and CHERNEY allege that following  
17 the illegal seizure of the organizing materials of JUDI BARI and  
18 DARRYL CHERNEY for the Redwood Summer political campaign,  
19 information obtained from these materials was then disseminated  
20 among these defendants and other law enforcement agencies. The  
21 photo of JUDI BARI holding a rifle was also intelligence  
22 information that was disseminated to non-law enforcement agencies  
23 and the public.

24 106. Plaintiffs BARI and CHERNEY allege that these  
25 actions are part of a program of surveillance and intelligence  
26

1 gathering that has been aimed at the plaintiffs and their political  
2 groups. Other elements of this program include, but are not  
3 limited to, the use of photographic and video surveillance at  
4 demonstrations, and dissemination of collected information to other  
5 government agencies that include allegations that BARI and CHERNEY  
6 are violent people.

7 107. These plaintiffs allege that this surveillance and  
8 intelligence gathering has had a continuing adverse effect on their  
9 associational and free expression activities. The effect has also  
10 been to "chill" their exercise of these rights.

11 108. This conduct has also injured these plaintiffs by  
12 damaging and threatening to damage their reputations, and by  
13 adversely affecting their employment and employment opportunities.

14 109. By the acts set forth above, and as detailed  
15 throughout the complaint, each of the named defendants and DOES I-  
16 CCC violated the First, Fourth, Fifth, Ninth and Fourteenth  
17 Amendments to the United States Constitution and 42 U.S.C. 1983 in  
18 that they conspired to deprive the plaintiffs of certain  
19 constitutionally protected rights, as detailed in this cause of  
20 action.

21  
22 SECOND CAUSE OF ACTION

23 (42 U.S.C. 1983 -- Count Two -- all defendants)

24 110. Plaintiffs incorporate by reference the allegations  
25 contained in paragraphs 1-109.

26 111. Plaintiffs BARI and CHERNEY allege that the course

1 of conduct and activities of the defendants in this action and  
2 their agents, by disseminating intelligence data concerning these  
3 plaintiffs and information gleaned from improperly seizing the  
4 organizing materials of these plaintiffs to other law enforcement  
5 agencies and to the general public, constitute repeated and  
6 constant invasions of the plaintiffs' reasonable expectation of  
7 privacy, guaranteed by the First, Fourth, Fifth and Ninth  
8 Amendments to the Constitution, while acting under color of law,  
9 and constitutes a violation of 42 U.S.C. Section 1983.

10 112. This conduct has injured these plaintiffs by  
11 damaging and threatening to damage their reputations, adversely  
12 affecting their employment and employment opportunities, and by  
13 invading their privacy.

14  
15 THIRD CAUSE OF ACTION

16 (California Constitution, Article I, Section I -- Count One  
17 -- all defendants with the exception of RICHARD HELD, FRANK DOYLE,  
18 JR., DAVID R. WILLIAMS, and JOHN RIKES)

19 113. Plaintiffs incorporate by reference the allegations  
20 contained in paragraphs 1-112.

21 114. Plaintiffs BARI and CHERNEY allege that the course  
22 of conduct and activities of the defendants in this action, as  
23 stated in the previous cause of action, and their agents set forth  
24 above has occurred as a result of their lawful political  
25 activities. This aforementioned course of conduct by all the  
26 defendants (with the exception of RICHARD HELD, FRANK DOYLE, JR.,  
27 DAVID R. WILLIAMS, and JOHN RIKES), while allegedly acting under

1 color of law, constitutes a violation of the California  
2 Constitution, Article I, Section I, of the plaintiffs' right to  
3 privacy.

4 115. This conduct has injured these plaintiffs by  
5 damaging and threatening to damage their reputations, adversely  
6 affecting their employment and employment opportunities, and by  
7 invading their privacy.

8  
9 FOURTH CAUSE OF ACTION  
10 (42 U.S.C. 1983 -- Count Three -- all defendants)

11 116. Plaintiffs incorporate by reference the allegations  
12 contained in paragraphs 1-115.

13 117. Plaintiff BARI alleges that the release of her  
14 photograph by the defendants in this action and their agents set  
15 forth above to the news media was designed to create deceptive  
16 publicity of Ms. BARI as a violent person. This course of conduct  
17 has defamed plaintiff BARI by damaging and threatening to damage  
18 her reputation, adversely affecting her employment and employment  
19 opportunities, and invaded her privacy by violating her right to be  
20 "left alone."

21 118. This defamation occurred in a context in which the  
22 defendants were attempting to justify the false arrest of JUDI BARI  
23 and were preparing to obtain a second search warrant of Ms. BARI's  
24 premises without probable cause.

25 119. This aforementioned course of conduct by the  
26 defendants, while acting under color of law, constitutes a

1 violation of 42 U.S.C. Section 1983.

3 FIFTH CAUSE OF ACTION

4 (California Constitution, Article I, Section I -- Count Two  
5 -- all defendants with the exception of RICHARD HELD, FRANK DOYLE,  
6 JR., DAVID R. WILLIAMS, and JOHN RIKES)

7 120. Plaintiffs incorporate by reference the allegations  
8 contained in paragraphs 1-119.

9 121. Plaintiff BARI alleges that the release of her  
10 photograph by the defendants in this action and their agents set  
11 forth above to the news media was designed to create deceptive  
12 publicity of Ms. BARI as a "violent terrorist." This course of  
13 conduct has defamed plaintiff BARI by damaging and threatening to  
14 damage her reputation, adversely affecting her employment and  
15 employment opportunities, and invaded her privacy by violating her  
16 right to be "left alone".

17 122. This defamation occurred in a context in which the  
18 defendants were attempting to justify the false arrest of JUDI BARI  
19 and were preparing to obtain a second search warrant of Ms. BARI's  
20 premises without probable cause.

21 123. This aforementioned course of conduct by the  
22 defendants, while allegedly acting under color of law, constitutes  
23 a violation of 42 U.S.C. Section 1983.

SIXTH CAUSE OF ACTION

(Civil Code 1798.45(c) -- Defendants UKIAH POLICE DEPARTMENT, OAKLAND POLICE DEPARTMENT, MENDOCINO COUNTY SHERIFF'S DEPARTMENT, HUMBOLDT COUNTY SHERIFF'S DEPARTMENT, and DOES IV-CCC)

124. Plaintiffs incorporate by reference the allegations contained in paragraphs 1-123.

125. On information and belief, plaintiff BARI alleges that the UKIAH POLICE DEPARTMENT, the OAKLAND POLICE DEPARTMENT, the MENDOCINO COUNTY SHERIFF'S DEPARTMENT, the HUMBOLDT COUNTY SHERIFF'S DEPARTMENT, and DOES I-CCC released the photograph of her with the rifle to others without her permission, and failed to comply with the provisions of the California Information Practices Act (Civil Code 1798 et seq.) and any rules promulgated thereunder.

126. Plaintiff seeks actual damages for this violation of her rights.

SEVENTH CAUSE OF ACTION

(42 U.S.C. Section 1983-- Count Four -- Defendants MICHAEL SITTERUD, ROBERT CHENAULT, and DOES IV-CCC)

127. Plaintiffs incorporate by reference the allegations contained in paragraphs 1-126.

128. There was no warrant for the arrests of plaintiffs BARI and CHERNEY on May 24, 1990. The arrests of these plaintiffs by Defendants MICHAEL SITTERUD, ROBERT CHENAULT and DOES IV-CCC, on the order of DOE IV, was without reasonable grounds for said defendants to believe that JUDI BARI or DARRYL CHERNEY had committed an offense, and these defendants acted with deliberate indifference in determining if there was probable cause to arrest

1 them.

2 129. Plaintiff JUDI BARI alleges that she was further  
3 damaged due to their reckless decision to remove her from intensive  
4 care and into the jail ward on May 26, 1990. Plaintiff BARI  
5 further alleges that she was improperly denied physical contact  
6 with her visitors from May 24, 1990 throughout early June, 1990.

7 130. As a result of their concerted unlawful and  
8 malicious detention and confinement of the plaintiffs, while acting  
9 under color of law, Defendants MICHAEL SITTERUD, ROBERT CHENAULT,  
10 and DOES IV-CCC deprived JUDI BARI and DARRYL CHERNEY of their  
11 liberty without due process of law and deprived them of equal  
12 protection of the laws, in violation of the Fourth, Fifth and  
13 Fourteenth Amendments of the Constitution of the United States and  
14 42 U.S.C. Section 1983.

15  
16 EIGHTH CAUSE OF ACTION

17 (Tort of false arrest -- Defendants MICHAEL SITTERUD, ROBERT  
18 CHENAULT, and DOES IV-CCC)

19 131. Plaintiffs incorporate by reference the allegations  
20 contained in paragraphs 1-130.

21 132. Based on the facts as detailed in the previous cause  
22 of action, defendants MICHAEL SITTERUD, ROBERT CHENAULT, and DOES  
23 IV-CCC are liable for the tort of false arrest.

26 ///

(42 U.S.C. 1983 -- Count Five -- Defendants RICHARD HELD, JOHN RIKES, C. MICHAEL SIMS, and DOES IV-CCC)

134. Based on information and belief, plaintiff JUDI BARI alleges that on May 24, 1990, defendants HELD, RIKES, SIMS and DOES IV-CCC unlawfully sought and seized many of the personal possessions in her car, including but not limited to her organizing materials, violin, clothing, personal files, tools, her children's birth certificates and vaccination records, and the like, without a warrant, without probable cause, and with deliberate indifference as to the rights of the plaintiff. Plaintiff further alleges that the federal defendants conspired with the state defendants in the course of the making of this unlawful and malicious search.

136. Plaintiff JUDI BARI further alleges that her personal possessions in her Subaru have been seized without probable cause and with deliberate indifference as to her rights.

1                                    TENTH CAUSE OF ACTION

2            (Tort of wrongful search and seizure -- Defendants  
3 C. MICHAEL SIMS and DOES IV-CCC)

5 contained in paragraphs 1-136.

6            138. Based on the facts as detailed in the previous cause  
7 of action, defendants C. MICHAEL SIMS and DOES IV-CCC are liable  
8 for the tort of wrongful search and seizure.

9                                    ELEVENTH CAUSE OF ACTION

10          (42 U.S.C. 1983 -- Count Six -- Defendants ROBERT CHENAULT and DOES  
11 IV-CCC)

12          139. Plaintiffs incorporate by reference the allegations  
13 contained in paragraphs 1-138.

14          140. Plaintiffs JUDI BARI and DARRYL CHERNEY allege that  
15 on May 25, 1990, defendants ROBERT CHENAULT and DOES IV-CCC  
16 unlawfully sought and obtained warrants to search their homes and  
17 seize their contents, without probable cause and with deliberate  
18 indifference as to the rights of the plaintiffs.

19          141. As a result of their concerted unlawful and  
20 malicious search of the premises of the plaintiff, while acting  
21 under color of law, Defendants ROBERT CHENAULT and DOES IV-CCC  
22 deprived JUDI BARI and DARRYL CHERNEY of their liberty and property  
23 without due process of law and deprived them of equal protection of  
24 the laws, in violation of the Fourth, Fifth and Fourteenth

13           145. Plaintiff JUDI BARI alleges that on June 25, 1990,  
14 defendants MICHAEL SITTERUD and DOES IV-CCC unlawfully sought and  
15 obtained warrants to search her home and seize its contents,  
16 without probable cause and with deliberate indifference as to the  
17 rights of the plaintiff.

18           146. As a result of their concerted unlawful and  
19 malicious search of the premises of the plaintiff, while acting  
20 under color of law, Defendants MICHAEL SITTERUD and DOES IV-CCC  
21 deprived JUDI BARI of her liberty and property without due process

FOURTEENTH CAUSE OF ACTION

(Tort of wrongful search and seizure -- Count Two -- Defendants DOE IV-CCC)

147. Plaintiffs incorporate by reference the allegations contained in paragraphs 1-146.

148. Based on the facts as detailed in the previous cause of action, defendants MICHAEL SITTERUD and DOES IV-CCC are liable for the tort of wrongful search and seizure.

FIFTEENTH CAUSE OF ACTION

(42 U.S.C. 1983 -- Count Eight -- Defendants RICHARD HELD, FRANK DOYLE, JR., JOHN RIKES, JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and Defendants IV-CCC)

149. Plaintiffs incorporate by reference the allegations contained in paragraphs 1-148.

150. Plaintiffs JUDI BARI and DARRYL CHERNEY allege that on May 24, 1990 and the days immediately thereafter, defendants RICHARD HELD, FRANK DOYLE, JR., JOHN RIKES, JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and Defendants IV-CCC made the misrepresentation that it was their reasonable belief that the bomb was located on the rear floorboard behind the driver's seat, rather than under the driver's seat. Plaintiffs BARI and CHERNEY further allege that this statement was made with deliberate indifference as to the rights of these plaintiffs, and that the federal defendants conspired with the state defendants in the course of the making of this misrepresentation.

151. As a result of this misrepresentation, made while

1 acting under color of law, Defendants RICHARD HELD, FRANK DOYLE,  
2 JR., JOHN RIKES, JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD,  
3 ROBERT CHENAULT, RAMON PANIAGUA, and Defendants IV-CCC deprived  
4 JUDI BARI and DARRYL CHERNEY of their liberty and property without  
5 due process of law and deprived them of equal protection of the  
6 laws, in violation of the Fifth and Fourteenth Amendments of the  
7 Constitution of the United States and 42 U.S.C. Section 1983.

8  
9 SIXTEENTH CAUSE OF ACTION

10 (Tort of negligent misrepresentation -- Count One -- Defendants  
11 JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD, ROBERT CHENAULT,  
12 RAMON PANIAGUA, and DOES IV-CCC)

13 152. Plaintiffs incorporate by reference the allegations  
14 contained in paragraphs 1-151.

15 153. Based on the facts as detailed in the previous cause  
16 of action, defendants JAMES HAHN, C. MICHAEL SIMS, MICHAEL  
17 SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and DOES IV-CCC are  
18 liable for the tort of negligent misrepresentation.

19 SEVENTEENTH CAUSE OF ACTION

20 (Tort of intentional misrepresentation -- Count One -- Defendants  
21 JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD, ROBERT CHENAULT,  
22 RAMON PANIAGUA, and DOES IV-CCC)

23 154. Plaintiffs incorporate by reference the allegations  
24 contained in paragraphs 1-153.

25 155. Alternatively, based on the facts as detailed in the  
26 Fifteenth Cause of Action, defendants JAMES HAHN, C. MICHAEL SIMS,  
27 MICHAEL SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and DOES IV-CCC

1 are liable for the tort of intentional misrepresentation.

3 EIGHTEENTH CAUSE OF ACTION

4 (42 U.S.C. 1983 -- Count Nine -- Defendants RICHARD HELD, JOHN  
RIKES, JAMES HAHN, C. MICHAEL SIMS, and Defendants IV-CCC)

5 156. Plaintiffs incorporate by reference the allegations  
6 contained in paragraphs 1-156.

7 157. Plaintiffs JUDI BARI and DARRYL CHERNEY allege that  
8 on May 24, 1990 and the days immediately thereafter, defendants  
9 RICHARD HELD, JOHN RIKES, JAMES HAHN, C. MICHAEL SIMS, and  
10 Defendants IV-CCC engaged in spoliation of evidence by dismantling  
11 portions of the white Subaru of JUDI BARI. This dismantlement  
12 resulted in disturbing the correlation of the various damaged  
13 portions of the vehicle, destroying key evidence that would aid  
14 investigators in gleaning further evidence concerning the bombing.  
15 Plaintiffs BARI and CHERNEY further allege that this spoliation of  
16 evidence was conducted with deliberate indifference as to the  
17 rights of these plaintiffs, and that the federal defendants  
18 conspired with the state defendants in the course of this  
19 spoliation of evidence.

20 158. As a result of this spoliation of evidence, made  
21 while acting under color of law, Defendants RICHARD HELD, JOHN  
22 RIKES, JAMES HAHN, C. MICHAEL SIMS, and Defendants IV-CCC deprived  
23 JUDI BARI and DARRYL CHERNEY of their liberty and property without  
24 due process of law and deprived them of equal protection of the  
25 laws, in violation of the Fifth and Fourteenth Amendments of the

8 contained in paragraphs 1-158.

11 SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and DOES IV-CCC are  
12 liable for the tort of negligent spoliation of evidence.

13 TWENTIETH CAUSE OF ACTION

14 (Tort of intentional spoliation of evidence -- Count One --  
15 Defendants JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD, ROBERT  
16 CHENAULT, RAMON PANIAGUA, and DOES IV-CCC)

17 161. Plaintiffs incorporate by reference the allegations  
18 contained in paragraphs 1-160.

19 162. Alternatively, based on the facts as detailed in the  
20 Eighteenth Cause of Action, defendants JAMES HAHN, C. MICHAEL SIMS,  
21 MICHAEL SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and DOES IV-CCC  
22 are liable for the tort of intentional spoliation of evidence.

1           164. Plaintiffs JUDI BARI and DARRYL CHERNEY allege that

3 Defendants JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD, ROBERT  
4 CHENAULT, RAMON PANIAGUA, and Defendants DOES IV-CCC) conducted  
5 the storage of the white Subaru in a manner that was deliberately  
6 indifferent to the importance of preserving critical forensic  
7 evidence.

8           165. As a result of this spoliation of evidence, made  
9 while acting under color of law, Defendants JAMES HAHN, C. MICHAEL  
10 SIMS, MICHAEL SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and  
11 Defendants IV-CCC deprived JUDI BARI and DARRYL CHERNEY of their  
12 liberty and property without due process of law and deprived them

22 contained in paragraphs 1-165.

23           167. Based on the facts as detailed in the previous cause  
24 of action, defendants JAMES HAHN, C. MICHAEL SIMS, MICHAEL  
25 SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and DOES IV-CCC are

1                                    TWENTY-THIRD CAUSE OF ACTION  
2 (Tort of intentional spoliation of evidence -- Count Two --  
3 Defendants JAMES HAHN, C. MICHAEL SIMS, MICHAEL SITTERUD, ROBERT  
4 CHENAULT, RAMON PANIAGUA, and DOES IV-CCC)

5                    168. Plaintiffs incorporate by reference the allegations  
6 contained in paragraphs 1-167.

7                    169. Alternatively, based on the facts as detailed in the  
8 Twenty-First Cause of Action, defendants JAMES HAHN, C. MICHAEL  
9 SIMS, MICHAEL SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, and DOES  
10 IV-CCC are liable for the tort of intentional spoliation of  
11 evidence.

13 (42 U.S.C. 1983 -- Count Eleven -- Defendants DAVID R. WILLIAMS,  
14 MICHAEL SITTERUD, and DOES IV-CCC)

15                    170. Plaintiffs incorporate by reference the allegations  
16 contained in paragraphs 1-169.

17                    171. Plaintiffs JUDI BARI and DARRYL CHERNEY allege that  
18 on May 24, 1990 and the days immediately thereafter, defendants  
19 DAVID R. WILLIAMS, MICHAEL SITTERUD, and DOES IV-CCC made the  
20 misrepresentation that it was their reasonable belief that the  
21 finishing nails in the bomb and finishing nails located in BARI's  
22 home were manufactured by the same machine within a batch of 200-  
23 1000 nails. Plaintiffs BARI and CHERNEY further allege that this  
24 statement was made with deliberate indifference as to the rights of  
25 these plaintiffs.

26                    172. As a result of this misrepresentation, made while  
27 acting under color of law, Defendants DAVID R. WILLIAMS, MICHAEL

1 SITTERUD, and DOES IV-CCC deprived JUDI BARI and DARRYL CHERNEY of  
2 their liberty and property without due process of law and deprived  
3 them of equal protection of the law, in violation of the Fifth and  
4 Fourteenth Amendments of the Constitution of the United States and  
5 42 U.S.C. Section 1983.

6  
7 TWENTY-FIFTH CAUSE OF ACTION

8 (Tort of negligent misrepresentation -- Count Two -- Defendants  
9 MICHAEL SITTERUD, and DOES IV-CCC)

10 173. Plaintiffs incorporate by reference the allegations  
11 contained in paragraphs 1-172.

12 174. Based on the facts as detailed in the previous cause  
13 of action, defendants MICHAEL SITTERUD and DOES IV-CCC are liable  
14 for the tort of negligent misrepresentation.

15 TWENTY-SIXTH CAUSE OF ACTION

16 (Tort of intentional misrepresentation -- Count Two -- Defendants  
17 MICHAEL SITTERUD and DOES IV-CCC)

18 175. Plaintiffs incorporate by reference the allegations  
19 contained in paragraphs 1-174.

20 176. Alternatively, based on the facts as detailed in the  
21 Twenty-Fourth Cause of Action, defendants MICHAEL SITTERUD and DOES  
22 IV-CCC are liable for the tort of intentional misrepresentation.

23 TWENTY-SEVENTH CAUSE OF ACTION

24 (Professional police malpractice -- Defendants Capt. JAMES HAHN,  
25 Lt. C. MICHAEL SIMS, Sgt. MICHAEL SITTERUD, Sgt. RAMON PANIAGUA,  
26 Sgt. ROBERT CHENAULT and DOES IV-CCC)

27 177. Plaintiffs incorporate by reference the allegations

1 contained in paragraphs 1-177.

2           178. Defendants Capt. JAMES HAHN, Lt. C. MICHAEL SIMS,  
3 Sgt. MICHAEL SITTERUD, Sgt. RAMON PANIAGUA, Sgt. ROBERT CHENAULT  
4 have received considerable academy and continuing law enforcement  
5 training and have many years of practical on-the-job experience.  
6 Plaintiffs BARI and CHERNEY are informed and believe and thereupon  
7 allege that each also has experience as a supervisor of other law  
8 enforcement personnel.

9           179. As professionally trained law enforcement officials,  
10 these defendants have an obligation and duty to the public and  
11 plaintiffs to properly apply their expertise in ways that protect  
12 the safety and property of the public, which prevents violence and  
13 effectively ensures the apprehension and prosecution of criminal  
14 law violators. Their conduct, as well as their failure to properly  
15 train other law enforcement personnel, violated accepted law  
16 enforcement standards, guidelines, and practices, and thereby  
17 breached the duty owed to plaintiffs as a member of the public.

18           180. As a proximate result of the breach of this duty,  
19 plaintiffs have been psychologically injured because they can no  
20 longer be sure that these representatives of law enforcement will  
21 uphold the law, protect them in the future from physical harm when  
22 they are otherwise able to do so, or enforce the law in an even-  
23 handed non-discriminatory fashion. Plaintiffs are further  
24 inhibited in the free exercise of their constitutional rights  
25 because of a fear that these defendants will apply the law so as to  
26

1 harm them and violate their rights.

17 under color of law, approved or ratified the unlawful, deliberate,  
18 malicious, reckless and wanton conduct of Defendant deputy sheriffs  
19 heretofore described.

SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA and DOES IV-CCC)

19           222. Plaintiffs incorporate by reference the allegations  
20 contained in paragraphs 1-221.

21           223. Plaintiffs are informed and believe and hereby  
22 allege that these defendants had a "special relationship" with  
23 plaintiffs JUDI BARI and DARRYL CHERNEY, by virtue of surveillance  
24 and intelligence data that these defendants had obtained concerning  
25 the political affiliations and activities of these plaintiffs,  
26

1 coupled with intensive press coverage given daily to the Redwood  
2 Summer campaign in Mendocino and Humboldt counties.

3           224. These aforementioned plaintiffs are informed and  
4 believe and hereby allege that in the course of obtaining these  
5 surveillance and intelligence data and knowledge through the news  
6 media, the writings of these plaintiffs in the possession of the  
7 OAKLAND POLICE DEPARTMENT, informants, wiretaps, and other sources,  
8 Defendants RICHARD HELD, FRANK DOYLE, JR., DAVID R. WILLIAMS, JOHN  
9 RIKES, CITY OF OAKLAND, OAKLAND POLICE DEPARTMENT, JAMES HAHN, C.  
10 MICHAEL SIMS, MICHAEL SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA and  
11 DOES IV-CCC were aware of a specific risk of harm to the  
12 plaintiffs; affirmatively placed the plaintiffs in a position of  
13 danger; created and assumed a custodial relationship to the  
14 plaintiffs; and affirmatively committed itself to the protection of  
15 this plaintiffs.

16           225. By refusing to conduct an adequate investigation  
17 when plaintiffs JUDI BARI and DARRYL CHERNEY were seeking the  
18 intervention of law enforcement officials to determine who bombed  
19 Ms. BARI's vehicles and nearly killed them, these aforementioned  
20 defendants were acting under color of state law to deprive  
21 plaintiffs of the right not to be deprived of life, liberty, or  
22 property without due process of law as guaranteed by the Fifth and  
23 Fourteenth Amendments of the United States Constitution, protected  
24 by 42 U.S.C. 1983, and that the federal defendants conspired with  
25 the state defendants in the course of this refusal to conduct an  
26

1 adequate investigation.

3 FORTIETH CAUSE OF ACTION

4 (42 U.S.C. 1983, Count Twenty-Four -- Defendants RICHARD HELD,  
5 FRANK DOYLE, JR., DAVID R. WILLIAMS, JOHN RIKES, CITY OF OAKLAND,  
6 OAKLAND POLICE DEPARTMENT, JAMES HAHN, C. MICHAEL SIMS, MICHAEL  
7 SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA and DOES IV-CCC)

8 226. Plaintiffs incorporate by reference the allegations  
9 contained in paragraphs 1-225.

10 227. Based on the facts as stated in the preceding cause  
11 of action, defendants were acting under color of state law to  
12 deprive the plaintiffs JUDI BARI and DARRYL CHERNEY of equal  
13 protection as guaranteed by the Fifth and Fourteenth Amendments of  
14 the United States Constitution, protected by 42 U.S.C. 1983, and  
15 that the federal defendants conspired with the state defendants in  
16 the course of this refusal to conduct an adequate investigation.  
17 As individuals involved in a political campaign against prevailing  
18 logging practices in Northern California, plaintiffs JUDI BARI and  
19 DARRYL CHERNEY are entitled to the same protection under the law as  
20 non-campaigners.

21 FORTY-FIRST CAUSE OF ACTION

25 contained in paragraphs 1-227.

26 229. Plaintiffs BARI and CHERNEY allege that RICHARD W.  
27 HELD, FRANK DOYLE, JR., DAVID R. WILLIAMS, DOES IV-CCC have

1 violated their constitutional rights pursuant to Bivens v. Six  
2 Unknown Named Agents, 403 U.S. 388 (1971). Plaintiffs allege that  
3 the destruction of evidence by these parties, as described in the  
4 preceding paragraphs has deprived the plaintiffs of certain  
5 constitutionally protected rights, including but not limited to the  
6 following:

7 (1) The right not to be deprived of life, liberty, or  
8 property without due process of law as guaranteed by the Fifth and

4 the preceding paragraphs has deprived the plaintiffs of certain  
5 constitutionally protected rights, including but not limited to the  
6 following:

7 (1) The right not to be deprived of life, liberty, or  
8 property without due process of law as guaranteed by the Fifth and  
9 Fourteenth Amendments of the United States Constitution;

10 (2) The right to equal protection of the laws as

15 United States Constitution;

16 (4) The right not to be deprived of their constitutional  
17 and statutory rights, privileges, and immunities, pursuant to the

1 FORTY-THIRD CAUSE OF ACTION

2 (42 U.S.C. 1983, Count Twenty-Five -- Defendants RICHARD HELD,  
3 FRANK DOYLE, JR., DAVID R. WILLIAMS, JOHN RIKES, CITY OF OAKLAND,  
4 OAKLAND POLICE DEPARTMENT, JAMES HAHN, C. MICHAEL SIMS, MICHAEL  
SITTERUD, ROBERT CHENAULT, RAMON PANIAGUA, TIM SHEA, BURL MURRAY,  
DEPUTY SATTERWHITE, FRANK VULICH, SGT. CIARABELLINI, FRED  
KEPLINGER, and DOES I-CCC)

5 232. Plaintiffs incorporate by reference the allegations  
6 contained in paragraphs 1-231.

7 233. On the basis of information and belief, plaintiffs  
8 JUDI BARI and DARRYL CHERNEY allege that the defendants RICHARD W.  
9 HELD, FRANK DOYLE, JR., DAVID R. WILLIAMS, JOHN RIKES, Capt. JAMES  
10 HAHN, Lt. C. MICHAEL SIMS, Sgt. MICHAEL SITTERUD, Sgt. RAMON  
11 PANIAGUA, Sgt. ROBERT CHENAULT, TIM SHEA, BURL MURRAY, DEPUTY  
12 SATTERWHITE, FRANK VULICH, Sgt. CIARABELLINI, FRED KEPLINGER, and  
13 DOES I-CCC entered into a conspiracy designed to cast public  
14 suspicion on the plaintiffs -- that the plaintiffs themselves were  
15 responsible for the bombing of BARI's white Subaru on May 24, 1990.

16 234. The plaintiffs allege that the defendants'  
17 conspiracy was motivated out of malice and with intent to oppress  
18 environmental activists involved in the "Redwood Summer" campaign  
19 in general, and the plaintiffs as political organizers within  
20 "Redwood Summer" in particular, and to invidiously discriminate  
21 against the same.

22 235. The plaintiffs allege during the spring of 1990,  
23 they were among the key organizers of the Redwood Summer campaign.  
24 Upon their announcement of the campaign in February of 1990, the  
25 MENDOCINO COUNTY SHERIFF'S DEPARTMENT set up a command center set  
26

1 up for monitoring this campaign. They also set up meetings held  
2 between the contract loggers and the MENDOCINO COUNTY SHERIFF'S  
3 DEPARTMENT, as well as between the environmentalists and the  
4 sheriff's department, and specifically asked to meet with JUDI  
5 BARI.

6 236. After the plaintiffs' opposition to "tree-spiking"  
7 was in the daily papers, they were immediately barraged with death  
8 threats and the two fake "press-releases." As they had just taken  
9 a big step towards harmony and resolution, it was obvious that an  
10 organized "hate campaign" was underway. The "press releases" were  
11 being distributed throughout the Northern California timber  
12 industry.

13 237. Humboldt sheriffs refused to aid plaintiff CHERNEY  
14 when he asked them to question suspects about the fake "press  
15 releases", although they admitted that these "press releases" were  
16 putting peoples' lives in danger, and their superior Lt. Done  
17 independently had obtained information concerning the "faked press  
18 releases".

19 238. When JUDI BARI, BETTY BALL and others went to DEPUTY  
20 SATTERWHITE and Deputy BURL MURRAY and presented the death threats,  
21 they were told that "if you turn up dead, we'll investigate". The  
22 plaintiffs repeatedly told these deputies the danger, to no avail.

23 239. Four days later, the organizing materials of JUDI  
24 BARI's colleague DARRYL CHERNEY were seized, while it was in Marin  
25 County. The organizing materials for Redwood Summer remained in  
26

1 the possession of the Marin County Sheriffs until autumn of 1990,  
2 when they are finally returned to DARRYL CHERNEY. In the interim,  
3 plaintiffs allege that the defendants had access to these materials  
4 and disseminated the information therein.

5         240. When the bombing occurred on May 24, the plaintiffs  
6 were on a musical concert and speaking tour to galvanize support  
7 for the Redwood Summer campaign. They were urging people to  
8 participate in non-violence trainings and come to the first Redwood  
9 Summer event within the next 30 days. The organizing materials of  
10 JUDI BARI were seized, and have not been returned to this day.

11         241. The FBI and the OPD worked together throughout the  
12 investigation. FBI agents made two serious misrepresentations to  
13 the OPD.

14         242. The first misrepresentation, of May 24, was that the  
15 bomb was on the rear floorboards of the back seat -- that was the  
16 primary basis for the May 25 search warrant and the false arrest  
17 made by OPD. The OPD admitted that this was in error on or about  
18 July 5.

19         243. The second FBI misrepresentation, of June 14, was  
20 that the nails in the bomb and the nails at JUDI BARI's home were  
21 from the same "batch" as the nails taped to the bomb. The media  
22 reported that FBI admitted this was in error on July 17.

23         244. Meanwhile, much evidence was destroyed while in the  
24 custody of OPD and FBI. Plaintiffs allege that they asked the OPD  
25 and FBI to follow up on "leads" on the bomber that they had in  
26

1 Mendocino and Humboldt. There is no evidence that these agencies  
2 followed up on their request.

3 245. Plaintiffs are informed and believe and hereby  
4 allege that Ukiah police mailed the photo of JUDI BARI to all the  
5 other defendant agencies -- they, in turn, leaked this photo to  
6 their local press contacts in an effort to misportray JUDI BARI as  
7 a violent person.

8 246. Plaintiffs allege that these defendants have engaged  
9 in only a cursory investigation for the car bomber, of the death  
10 threats and the phony "press releases" that endangered the lives of  
11 the plaintiffs.

12 247. Plaintiffs further allege that the defendants  
13 RICHARD HELD and the OAKLAND POLICE DEPARTMENT are presently  
14 withholding from the plaintiffs' investigative team critical  
15 evidence that may lead to the car bomber. The plaintiffs continue  
16 to be "labeled" as "suspects" in order to justify the  
17 aforementioned withholding of evidence.

18 248. By the acts set forth above, and as detailed  
19 throughout the complaint, each of the named defendants and DOES I-  
20 CCC violated the Fifth and Fourteenth Amendments to the United  
21 States Constitution and 42 U.S.C. 1983 in that they conspired to  
22 deprive the plaintiffs of certain constitutionally protected  
23 rights, as detailed in the previous causes of action.

1 FORTY-FOURTH CAUSE OF ACTION  
2 (Battery; DOES V-CCC)

3 249. Plaintiffs incorporate by reference the allegations  
4 contained in paragraphs 1-248.

5 250. By DOE V's placing of a bomb under the driver's seat  
6 of the Subaru of JUDI BARI, on or about May 24, 1990, the  
7 plaintiffs JUDI BARI and DARRYL CHERNEY were severely injured, as  
8 described earlier in this complaint. The identity of any agents or  
9 co-conspirators of DOE V is unknown at this time, and these  
10 plaintiffs request permission to amend this complaint if their  
11 identities become known. Plaintiffs further allege that the  
12 placing of this bomb was committed intentionally, and that it was  
13 intended to kill these plaintiffs. Plaintiffs allege that this  
14 act was committed with oppression, fraud and malice.

15  
16 FORTY-FIFTH CAUSE OF ACTION  
(Destruction of property; DOES V-CCC)

17 251. Plaintiffs incorporate by reference the allegations  
18 contained in paragraphs 1-250.

19 252. By DOE V's planting of a bomb under the driver's  
20 seat of the Subaru of JUDI BARI, on or about May 24, 1990, the  
21 personal property belonging to these plaintiffs was destroyed or  
22 severely damaged.

23  
24 FORTY-SIXTH CAUSE OF ACTION  
25 (Intentional infliction of emotional distress; DOES V-CCC)

26 253. Plaintiffs incorporate by reference the allegations

1 contained in paragraphs 1-252.

2           254. By DOE V's planting of a bomb under the driver's  
3 seat of the Subaru of JUDI BARI, on or about May 24, 1990, the  
4 plaintiffs JUDI BARI and DARRYL CHERNEY were severely injured, as  
5 described earlier in this complaint. Plaintiffs allege that the  
6 placing of this bomb was committed with the intention of causing  
7 these plaintiffs great emotional distress if they survived the  
8 blast, and that this defendant acted with oppression, fraud or  
9 malice.

10

14 their involvement in a political campaign;

YCU WONT GET A SECCND WARNING

TO WHOM IT MAY CONCERN EVERYBODY

"Summer of disobedience in the woods" sure says it all!! We are all concerned with the Environment, but not to the extent of "EARTH FIRST." We know the Mendocino Environmental Center in Ukiah, does do alot of good things to do with the Enviroment, just like we do, taking care of the land, helping to see to these matters. I CANNOT believe you are helping and using EARTH FIRST, as they will use you. They are a Terrorist Group who uses terrorists acts and actions, that most of us DO NOT WANT to be involved with.

"These EARTH FIRST people are not modern day Robin Hoods whose cause is not the poor of the forest, but the trees themselves; these are violent men and women who engage in acts which could kill fathers in the name of Mother Earth." EARTH FIRST denies their activities have cause injury or death, I guess that doesn't include burning buildings, throwing bombs, spiking trees. As we all know there is a timberman, who will face years of reconstructive surgery—that isn't considered "injury"? EARTH FIRST does admitte to certain acts of sabotage and "MONKEYWRENCHING", as in "fence cutting?" "Running wires across roads??", and other acts of vandalism. I don't understand your group, how can you be involved with this group. No one can condone—and everyone should condemn—those who use violence to deny American men and women their livelihoods and even their lives. WONDER WHAT EARTH FIRST PEOPLE EAT??? It should be FOOD AND LIVE FIRST!!!!

I would really consider being involved with "EARTH FIRST", you may find yourselves in the same "bracket" as them and TROUBLE. Why don't you call them the name their group is--"ASSHOLES FIRST!!", because all they will be bringing to your group is their problems and the trouble they are in. There are other concerned people out here, too!! This is America and we shouldn't feel threatened and singled out. We are watching, too!!!!!!

For the obvious reasons, I will leave this unsigned. Pretty sad when you can't say what you want, in fear of your family and friends being harassed and even worse, being hurt by these "EARTH FIRST" people who do use terrorist acts of violence and don't think they don't hope and pray your group is not involved in their underhanded tactics.

To who it may concern:

We are a group of high school students and we are all average students. We love to spend time at the river laying out in the sun under the big redwood trees. We have all lived here a number of years and have never seen an owl in Mendocino County. What we have seen is the immaturity that you are showing by spiking trees, and not being willing to reason.

We dont know, if you people have even been to school, but in K-grade and up we were taught to keep our hands to ourselves and respect others property. Well by climbing on the top of Okerstroms equipment and hanging a banner from it was totally uncalled for. Why dont you practice what you preach!

For one, this paper which you are reading this letter from is made from wood (trees), the chair that you are sitting your smelly ass on is probably wood! The books of which your children learn from at school are made of paper which comes from harvesting trees.

I think that we should be allowed to use the land as much we can and put back into it as much as we take out of it! (by planting other trees).

What is it going to take to make you people realize that your demonstrations are dangerous? Is it going to take someone to get hurt or even killed? Loggers arent going to full around alot of them are carrying weapons, and we dont blame them either because they are only trying to make a living and surpport there family. We work not like you city people who all you have to do is go and pick up your welfare checks! (which are paper which are made from trees) This is our town, we know how to run it.

If you are really interested in saving the owls I pity you. Who was here to save the dinosaurs when they were dieing off? Nobody! If the dinosaurs where still alive, we wouldnt have oil, right?

Is your motto "EARTH FIRST, PEOPLE LAST"?

Why dont you grow up and be human not cry babies. I have seen 3 year olds accomplish more in little time than you have accomplished in a long while!

We dont think that the loggers should put up with your shit, they should just run you over if you get in their way

Well, I guess we have got our aggressions out and it feels  
alot better. We must warn you though, next time you send  
someone to spike a tree or next time you try to stop a  
logging truck remember that accidents happen!

Have a nice summer!!!

Dear Betty,

It has come to our attention that you are an Earth First! lesbian whose favorite pastime is to eat box lunches in pajamas.

Betty, this kind of behavior is to be expected of lesbians like you, since we have been observing Earth First! freaks like you for some time. Not only have we been watching you Betty, but we also know and have distributed your phone number [(707)468-1660] to every organized hate group that could possibly have hostile tendencies toward ilk of your kind. No longer can sleazy dikes like you operate with impunity through the guise of anonymity. We know who you are, where you live, and continue to home in on you... but you don't know who we are. How does it feel, eco-freak, to have the tables turned?

We've also got your "clandestine" publications which detail how to indiscriminately hurt, maim, and kill people who are involved in legitimate, legal activities. Rest assured, Betty, that we shall not be indiscriminate in our actions against the spineless, invertebrate members of Earth First!. To the contrary, we will specifically hunt down each and every member like the lesbians you really are.

Sincerely,

Committee For The Death of Earth First!

## NEWS RELEASE

We, followers of the movement Earth First! of Northern California, do not agree with non-feral Darryl Cherney's recent statement advocating no tree spiking. We are in a "war" with the north coast timber companies. Companies do not have rights, only "Mother Earth" has rights. We must save all trees.

"Mississippi Summer" - Come one, come all to Humboldt County.

We intend to spike trees, monkeywrench, and even resort to violence if necessary. We will not stand for the destruction of "Mother Earth".

People of the Northcoast must stop raping the forests "Now". We have no time left.

## FIGHT BACK: SOME THOUGHTS ON STRATEGY

*philosophy  
first appeal - 1*

We're at war. It's not a typical war, where all sides are fighting for power. No, we are fighting against power, against domestication. We don't want to rule anything, we just want to live wild and free. Unfortunately, there's a whole damn civilization trying to keep us from doing so. And we haven't been fighting this civilization very well.

Some of us beg it for table scraps, with our petitions, giving them our names and addresses. Some of us go out in big herds, marching in line, chanting slogans, written by Darrell Chernay and Judi Bari of Garberville, Earth First! Some of us carry signs, demanding that our enemies do what we want. Some of us publicly and peacefully disobey the law in order to get arrested for the publicity. Some of us do acts of monkeywrenching in attempts to break the system.

We have been very visible in foolish ways, excessively organized and very serious—and we've been botching it. If we were interested in gaining power, rather than destroying it, then visibility, organization and seriousness would be just what we need. But since we are out to destroy power, then invisibility, apparent randomness, and playfulness are much better weapons.

We know who the powers are that are trying to destroy all wildness, (Pacific Lumber Co. and Louisiana Pacific to name a couple), we know what they're doing and where they're doing it. In sabotaging their activities, we can't give them this same advantage. We need to be invisible. We are interested in FUCKING up and domesticating the activities of our targets.

If the target can be hit in such a way as to make an explanation unnecessary, that's ideal. It's best not to do frequent repetitions of the same graffiti in association with more intense forms of sabotage. And don't forget that an imaginative graffiti campaign may itself be effective in at least getting people to think.

Another worthwhile skill to develop is the ability to act in an apparently random way. Demonstrations, civil disobedience, even most battles with the cops are well ordered. In some sense, they are orchestrated by the very forces we are fighting, because in these acts, we are fighting on the enemies' terrain, we are rarely reacting to them. Our acts of sabotage need not be this way. We can strike targets when they least expect it, when they think they are off the hook. There is no need to be systematic, at least not from the perspective of our enemies, with their rigid militaristic mindsets.

We live best when we live in this world as wild and merry pranksters, playfully mocking civilization and those who unquestioningly accept it. To dance, play, laugh, to avoid work as much as possible and to steal from the rich and powerful, to undermine authority and domestication every chance we get, this is the life we choose. Unseen by our enemies, we do whatever we can to FUCK UP the workings of the megamachine with an apparent randomness that confounds their orderly plans.

# Memorandum

To : SAC, SAN FRANCISCO (174A-SF-90788) (P) Date 8/7/91

From : SA [redacted] (SQD 13)

Subject: UNSUBS;  
JUDITH BEATRICE BARI - VICTIM  
DARRYL REED CHERNEY - VICTIM  
BOMBING OF 1981 SUBARU STATION WAGON  
CALIFORNIA LICENSE 2NWX290  
5/24/90  
EID  
OO: SAN FRANCISCO

On 7/16/91, [redacted] advised that on either 7/18 or 7/19/90, he was contacted by Kaiser Permanente Hospital, San Rafael, indicating that a patient was asking to see a [redacted] Minister. When he responded that night to the hospital he met [redacted] (LNU) who was in the hospital due to a drug overdose. In the room with [redacted] (LNU) was his [redacted] and a [redacted] who was approximately [redacted] years of age.

b6  
b7C

On the following day, either 7/19 or 7/20/91, [redacted] visited [redacted] (LNU) who had been transferred to Marin General Hospital, Greenbrae. [redacted] (LNU) was in room 5214 with his [redacted] and [redacted]. That day during casual conversation, [redacted] (LNU) was discussing the newspapers. When [redacted] indicated that he did not understand what [redacted] (LNU) was talking about, [redacted] (LNU) explained while laughing, that the people that were involved in the bombing that everyone is reading about, claim they are innocent, but they are lying, because [redacted] (LNU) stated he built the bomb and sold it to them.

[redacted] recalls that [redacted] (LNU) stated that he had spent time in San Quentin and was not able to sign a piece of paper they wanted him to sign, because he was illiterate.

[redacted] was under the impression that [redacted] (LNU) was not from Marin County, but had come here for drug treatment.

RE: [redacted]

Dear [redacted]

Rm 5030  
I have enclosed for further handling another threat letter directed to [redacted] Federated Development Company and MAXXAM Inc. The letter was delivered to the [redacted] residence on September 16, 1991 and was opened by [redacted]. The content page was handled by both [redacted]. In accordance with your instructions, all subsequent handling of the contents were made with gloves.

SEP 24 1991  
As you will see, this letter was mailed in Houston. The reference to the Gala Ball and MD Andersen apparently result from the fact that [redacted] along with Governor and Mrs. John Connally are serving as Co-Chairs for a M.D. Andersen fund raising event to be held on October 19, 1991 at the Astrodome Sheraton Hotel. I do not believe we have had any previous contacts from any individuals or groups identified as the Green Revolution.

We look forward to any further information that you might have on this matter.

Very truly yours,

FEDERATED DEVELOPMENT COMPANY

it really is ironic isnt it

that the man who destroys the virgin native forests

for pure greedy profit

and with them innumerable plants like the Pacific Yew

which we know offer a cure for breast cancer

is a gala ball chair for

of ALL things

the MD ANDERSON celebration

What a strange feeling it must give you

He is so cold blooded that he has no feelings

but you

what about you?
